

Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> • What does pollution mean? • What does the word 'recycle' mean?
Year 1	<ul style="list-style-type: none"> • Can you name five wild plants? • What are the 4Ws?
Year 2	<ul style="list-style-type: none"> • If I wanted to make a simple programme on Scratch Jr, what would I need? • Can you explain the difference between volume and capacity?
Year 3	<ul style="list-style-type: none"> • What does relief and radiating patterns mean? • Who used relief artwork? And why?
Year 4	<ul style="list-style-type: none"> • What is a melting point and what is a boiling point? • What is the difference between a pictogram, a line graph and a bar chart?
Year 5	<ul style="list-style-type: none"> • What are the rules that you must remember when measuring with a protractor? • What is humanism? Can you give some examples of the things that a Humanist believes?
Year 6	<ul style="list-style-type: none"> • What is refraction? • Where would you see an emulator in computing? What is it?

Class Focus

Each week, we focus on work undertaken by a different class. This week, it was the turn of Reception L who say ...

What a busy, yet exciting week we have had in Turtle Class! We have been on a very special under the sea adventure ... We have been busy learning facts about sea creatures, their habitats, the importance of recycling and sea pollution. The children made their own under the sea settings and used their artistic skills to

create their favourite sea creatures, to live in their sea setting. The children also performed their class assembly this week, which was a great success! We are so proud of the Turtle Class and their achievements and we cannot wait to explore more about life under the sea!

Q&A

Q. Who is going to help make our summer fayre a success?

A. The PTFA have planned and organised all of tomorrow's events and activities. This has involved many of you being asked to help in any way you can - thank you if you have already donated something or volunteered to help on a stall or if you're coming tomorrow to spend!

A. The PTFA have also been very busy contacting lots of local businesses to ask for help and donations - there has been so much generosity (with many of the donations being added to our raffle, auction or being eaten tomorrow!). Please see the next page for the list of all the businesses that have helped.

A. Tomorrow's fayre will only be truly successful if you ALL come! There are loads of great activities to take part in, lots of food and drink to enjoy and lots of fun to be had!

A HUGE THANK YOU TO...

All money raised will go towards extra things for all pupils in school, so come and have a great time!!

Online safety

School has been made aware of a new potential safeguarding concern involving a character called Huggy Wuggy. This character is from a Horror Survival Game (Poppy Playtime) which is age rated 12 by PEGI. This includes descriptors for Moderate Violence and Horror from PEGI (age ratings for games).

There is also a lot of related content created on TikTok and YouTube that feature the game characters in unsettling scenarios. One of these videos included a song, Free Hugs, with lyrics "Cause I could just hug you here. Forever, forever. Till you breathe your last breath."

For further information, please visit: <https://news.sky.com/story/parents-and-schools-concerned-about-viral-huggy-wuggy-youtube-videos-12579453>

As this is a child's based name and character is has appeared to slip through some parental controls on devices. Please be vigilant with your computer/tablet settings at home and continue monitoring your child's access when on these devices.

BOOK FAIR

Thank you for your support with our book fair last week. For every book bought, school receives money to buy new books. You helped raise over £400 for school.

Attendance Matters

Be in school all day, every day.
Our attendance target is 96.5%

<p><u>This Week's Attendance</u> 93.9% 😞</p>	<p><u>Class with the Best Attendance</u> 👍 4L - 98.9% 👍</p>	<p><u>Most Punctual Class</u> 😊 1B, 5B and 6B 😊</p>
