### Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

If you're interested in helping at the event please come along to the PTFA summer fayre meeting next Tuesday at 9am in the Labra studio.

If you are unable to attend, please do fill in the slips sent out last week and the PTFA will be in touch.

Because we were closed for two of the days when the Book Fair was here in March, we have managed to get it back for an extra week.

### Walk to School Week

Next week, we will be running a whole school challenge for 'Walk to School' week.

Each of our pupil voice groups have assigned challenges, which will be posted on the Class Dojo school story everyday, starting on Sunday evening. The aim of the challenges is to get children to enjoy walking and reap the benefits of getting outside. As always, when walking to school, please be aware of road safety, wear appropriate shoes and clothing, and only talk to people that you know.

### Be Aware

This week, we have noticed that 'Andrew Tate' has started appearing in KS2 playground songs and chats. We have informed KS2 pupils that we don't expect this name to be mentioned at school as he has shared many inappropriate and negative messages that our school community does not support.

### Are you 'assembly' ready?

- 1) Next week's theme is 'Risk Taking'.
- 2) Is risk taking a good thing?
- 3) What risks have you taken this year, at school?
