Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> Can you tell me what colour represents good luck, during Chinese New Year? Can you give me 3 different ways to make number 6?

The Chinese New
Year of 2023 will begin on
Sunday 22 February, and the
festival will last for 16 days.
2023 is the Year of the
Hare/Rabbit, according to the
Chinese zodiac. The Chinese
Zodiac, known as Sheng Xiao, is
based on a twelve-year cycle,
with each year in the cycle
relating to an animal sign. These
signs, in order, are the rat,
ox, tiger, rabbit, dragon, snake,
horse, sheep, monkey, rooster,
dog and pig. It is calculated
according to the Chinese lunar
calendar.

Careers Fair

Thank you to all of the Careers' Fair contributors, who helped make our first ever KS2 Careers Fair such a huge success. The children thoroughly enjoyed meeting all the different people and finding out about

all the different types of careers and jobs that they might like to do when they're older (including the types of skills and knowledge you need). Our visitors were amazed by some of the questions that the children asked.

What Do You Want To Be When You're Older?

This year, we're celebrating 'Aspirations Week', in school. During 'Aspirations Week', the children will explore different careers and their future aspirations. Across the school, the children will enjoy an exciting range of activities, and impressive guest speakers, designed to teach them about different types of careers. Our aim is to inspire our children so that they consider what they need to learn in school, to achieve their ambition, in the future.

On Friday 3rd February, we are asking all children from Reception to Year 6, to come into school dressed in clothes that represent the career they would wish to have, in the future. We want our children to know that no job is out of reach for them, so are encouraging them to be ambitious with their choices!

There is no expectation to go out and buy a costume for this event.

School Meals Procedure

All children are able to book a school meal on a weekly basis. These meals need to be paid for in advance by 9.00 a.m. on the Monday morning, for that week.

If your child is on school meals and you want to change them to packed lunches you **must** inform the office the week before the change happens. This is due to the fact that food is pre-ordered for the following week. The meal pattern will remain as set as a school meal unless a parent/carer confirms by email to the school office that you wish to change to packed lunches. The change in meal pattern will be actioned and the office will send you an email confirming the change. Please do not rely on your child advising the teacher as they often forget and then a debt accumulates, which you will be liable for as the meals will have been made and school has to pay Bolton Council for them (the kitchen is managed by Bolton Council not the school).
