Preparation for the Future...

Each September, our new Year 6 pupils are carefully selected for important school roles, including:

Assembly Leaders

Bench Monitors

Champions

Classroom Assistants

Digital Leaders

House Captains

Office Helpers

Prefects

Random Readers

Sports Champions

All of these roles play a vital part in the smooth running of the school. As part of their responsibilities, Year 6 are also expected to set an excellent example and be positive role models to other pupils.

Each week, we focus on work undertaken by a different class. This week, it is the turn of Reception ... We have been very busy since we started school. We have been making new friends and getting to know our new teachers (who think we are all wonderful, by the way). We have been exploring our new classrooms and using our investigation and problem-solving skills. We have been observing how others do things, pretending together, being involved and concentrating, having a try at new things and embracing lots of challenges. We have also loved baking cakes and eating them ☺ Oh, what a busy and fun-filled week we have had!

Playground Equipment

Can parents politely be reminded that, due to health and safety reasons, children are NOT allowed to play on outdoor playground equipment before or after school. Thank you for your support.

If you have any dressing up costumes suitable for Reception children, that your child no longer needs, we would be happy to take them off your hands! Thank you.

Year 2 Explorers

Our Year 2 children have been working extremely hard at home this week, creating rockets and ships as they begin to learn about inspirational explorers Christopher Columbus and Neil Armstrong.

We have been made aware that some watches (similar to the images shown) have been brought into school - some of which contain hidden blades. These items are, of course, NOT allowed in school under any circumstances.

If any child is found have such a watch in school, this will be confiscated immediately and parents will be contacted.

Are you 'assembly' ready?

- 1) Next week's theme is 'Talkers/Connectors/Linguistics'.
- 2) Can you think of any synonyms for our theme?
- 3) Talk about the sorts of jobs that you think the theme includes?
- 4) Go on 'Life' and post your thoughts and ideas.
