

Tues 24 Nov

Nasal Flu Vaccinations
(follow up date for absent children TBC)

Thur 26 Nov

Pupil Photographs
(see page 2 for more details)

Thurs 3 Dec

Pupil Photographs
(second date for children absent on first day)

Thurs 10 Dec

Christmas Dinner (for children who receive a school meal)

Covid-19: Important Reminders

Only escort your child onto school grounds if it is necessary to do so (in order that we can minimise the number of adults on site).

We need everyone to follow the one-way system that is in place, in and out of the school grounds.

Only enter via the top gate (KS2 playground) and only leave through the bottom gate (KS1 playground). Please follow the yellow arrows that are sprayed on the floor.

Please avoid touching anything unnecessarily, eg, hand rails, outside equipment and other people etc.

Please wear a face covering when on the school grounds.

Keep your distance from other families.

Attendance Matters

This Week's Attendance

!!! 😊 97% 😊 !!!

Class with the Best Attendance

😊 6B - 99.6% 😊

Most Punctual Class

😊 1L 😊

Remember Attendance Matters; Be in School All Day, Every Day

World Tolerance Day

#BeKind

Being tolerant means understanding people's differences.

To be more tolerant:
* Think for yourself
* Be kind
* Speak out

Being tolerant means accepting our differences.

Being tolerant can bring peace, and stop fighting.

Wrap Up

Recent scientific information about the spread of the coronavirus reinforces the importance of VENTILATION IN CLASSROOMS. Throughout the day, we aim to keep the classroom air 'fresh and flowing' by keeping all windows and doors open. This means it might get a little bit chilly, so we encourage pupils to wear an extra layer of clothes under their uniform and always have their coat, a hat and scarf in school.

Each week, we focus on work undertaken by a different class. This week, it was the turn of Reception B who say ... This week, we have had a special visitor. The bear from the story 'We're Going On A Bear Hunt' came to visit us! He set us a special challenge to go on our own bear hunt. We have been using and creating our own maps to show the bear our very own bear hunt around the school. The children were very excited to have had such a special visitor.... but we hope he does not come back and make any more mess!

Children in Need

Thank you to all our children who dressed up last week in support of BBC's Children In Need. All the children looked wonderful in their spotty and Pudsey outfits - well done! We raised the fantastic sum of £278.08 - thank you, everyone.

School Photo Day - 26 November 2020

The professional photographer from John Hunt will be coming into school on Thursday 26 November 2020 when, as in previous years, all children will have individual photographs taken.

As some classes will be absent due to Covid isolation, John Hunt have confirmed they will come into school again on Thursday 3 December to photograph any children who were absent on the first day. After receiving several requests from parents, we are pleased to confirm that in-school sibling photographs will be taken (an email to all parents/carers was sent earlier this week to gauge interest).

Finally, John Hunt Photography advise that all orders must be placed online directly with them this year, in order to eliminate the need for cash handling. Thank you for your understanding.

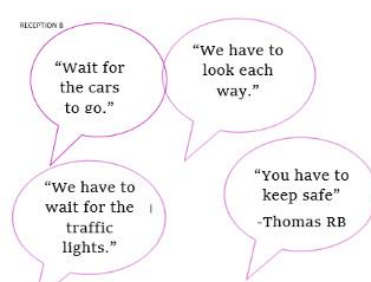

The Grinch has stolen the angel from our Christmas tree... !!

The top of our Christmas tree is now looking really bare, so we are holding a competition for our children to make a new angel... can you help?! All entries must be received in school by Friday 27 November, with the winner being revealed during Friday's announcements. All other entries will be displayed around school, for the duration of the festive period. So, hopefully, lots of you will get your thinking caps on and wow us with your creativity!

Road Safety Week

This week in school, all classes have taken part in Road Safety Week. Pupils have learnt how to cross roads safely, how to be a safe passenger in a vehicle, and why speeding is so dangerous. Look at the fantastic work that our Year 4 and Reception children have created...

We even practised our road safety outside!
