90% of parents said that Rocksteady lessons improve their child's wellbeing*

Dear Parent / Guardian,

Did you know, your child could learn to play an instrument in their very own Rock or Pop band during the school day? **It's about more than musical progression, Rocksteady's rock and pop band lessons are a fun way to build children's confidence and help them get the most out of school life, while enhancing their overall wellbeing along the way.**

You don't need an instrument or any previous experience and if you cancel within the first month, you'll get your money back, so there's no risk to giving lessons a try!

Here's all the details:

- Choose from **drums, electric guitar, keyboard, or vocals** subject to availability. Lessons take place during school time and are open to all year groups, with no experience necessary. All instruments are provided.
- Your child will learn their **favourite songs** in a ½ hour weekly band practice, led by a visiting Rocksteady Band Leader. A proven way of giving them a great musical grounding.
- Rehearsals build towards a **performance** each term. A fun way for your child to build their self-confidence and show you and their friends just how far they've come.
- A highlight of the week for £31.25 a month (*No payment in August*). There's a **money back guarantee** for the first month and you are **free to cancel at any time**.
- Rocksteady lessons boost confidence and promote wellbeing, while children have fun with their friends, and progress at school.

Places are offered on a **first come, first served basis**. If you would like to secure your child's place, sign up as soon as you can. Selecting different instrument options will also give you the best chance of getting a place in a band.
