- Lessons last for 20 minutes and cost approximately £4.80 per week for shared lessons and £9.70 per week for individual lessons. Further pricing details can be found on our website [www.boltonmusicservice.com](http://www.boltonmusicservice.com).

## Obtaining a brass Instrument

Brass instruments can be bought from most musical instrument retailers but the easiest and most cost-effective way of acquiring one is through Bolton Music Service's hire scheme. Further information on this can also be found on the website or by ringing the Music Service office on 01204 333533.

Many schools have their own instruments that can be loaned out to pupils.

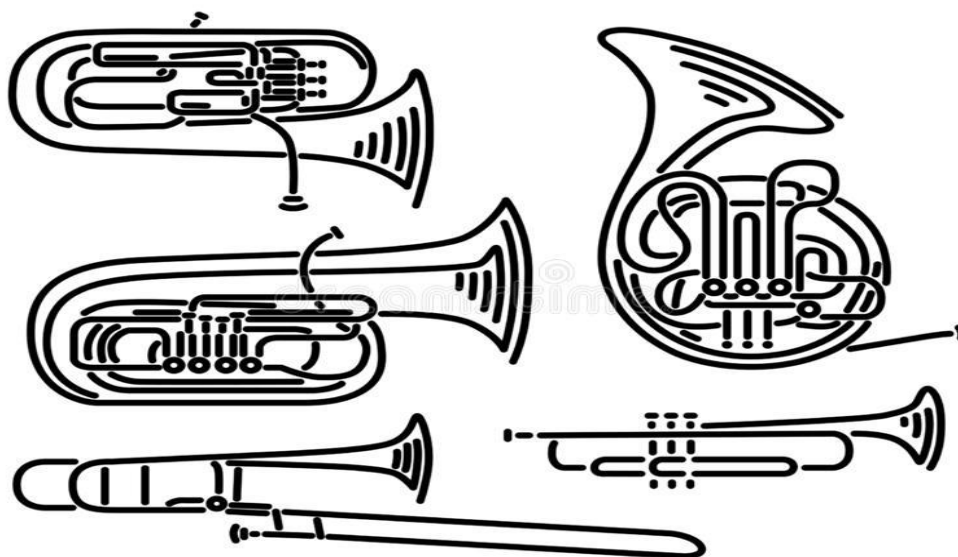

**N.B. At Ladybridge CP there are several school instruments available which can be loaned to new pupils free of charge. These instruments will be allocated on a first come first served basis.**

If you have any further questions regarding lessons or brass instrument availability, please leave me a message at the school office and I will contact you as soon as possible.

Yours Sincerely,

Simon Dunkley
