Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> Can you find a waterproof material? Can you give me 3 words with the 'qu' sound?
Year 1	<ul style="list-style-type: none"> What link is there between Queen Elizabeth 1st and a microphone? Can you draw a representation of the number 17?

NEU Industrial Action – 1st February 2023

You may be aware that the National Education Union (NEU) have called a day of industrial action on Wednesday 1st February 2023.

A number of our employees are members of the NEU and as such we will be affected by the industrial action. A risk assessment has been undertaken by the school regarding the children's safety, and as a result, it is necessary to close the school for pupils on Wednesday 1st February 2023. The school will reopen on Thursday 2nd February 2023.

Class Dojo

Please remember to regularly check Class Dojo for messages and information from school. It is also a great way to message your child's class teacher (as long as it's not late at night!).

Are you 'assembly' ready?

- Next week is 'Aspiration Week'.
- What do you want to do/be when you're older?

Football

Congratulations and well done to our super Y2 footballers, who represented school at a local tournament yesterday.

Miss Whittingham was amazed by your individual skills as well as your team play. I've seen the videos of some brilliant tackling, dribbling and GOALS! I hope this inspires you on to future footballing greatness!

Thank you to the parents that supported this event.

HOMEWORK

- The first priority is always reading (because, once you can read well, you are then able to access all other learning).
- The next priority is to regularly practise spellings and times tables.
- For children in Y2 - Y6, the next priority is to choose 4 activities from the autumn grid below. These activities support and deepen 'Discovery' learning, and pupils can choose whether to 'Make it, Find Out About it, Create it or Present it'. By providing flexibility and choice, we hope this will enable pupils and families to select activities that suit them, depending upon the amount of time you have, the equipment and resources you have at home or the amount of help that is available, etc (see example below).
