### Collective Responsibility

At Ladybridge, we are always proud of our pupils' behaviour, and whenever we take pupils out on trips or receive visitors, they have lots of positive things to say about our children's behaviours for learning.

Our school code of conduct outlines our BeWELL expectations:

<u>Rewards</u>	<u>Our Expectations</u>	<u>Consequences</u>
<ul style="list-style-type: none"> <li>• Dojo points</li> <li>• Always bands</li> <li>• Postcards</li> <li>• Phone calls/ messages home</li> <li>• Praise</li> <li>• Stickers</li> <li>• Prizes</li> <li>• Certificates</li> <li>• Individual Class Rewards</li> </ul>	<p><b>Be polite, fair and kind</b></p> <p><b>Walk quietly around school</b></p> <p><b>Everything in its place</b></p> <p><b>Let others learn</b></p> <p><b>Listen carefully and follow instructions</b></p>	<ul style="list-style-type: none"> <li>• Verbal Warning</li> <li>• Amber</li> <li>• Red (miss playtime)</li> <li>• Behaviour reflection KS2</li> <li>• Work in another room</li> <li>• See a senior member of staff</li> <li>• Parents contacted</li> <li>• Meeting between school and parents</li> <li>• Behaviour Report</li> <li>• Internal/External Exclusion</li> </ul>

This year, we have started to reward some Dojos for collective responsibility. But what exactly does the phrase 'Collective Responsibility' mean to you and me? We all know the phrases 'more hands make less work' and 'you get by with a little help from your friends.' Collective responsibility involves leading by example, being compassionate, being a team player and thinking of others before ourselves.

### So why might I be awarded collective responsibility Dojos?

- For being kind to others when they were upset
  - For supporting peers with their learning in class
  - For being helpful to the adults in school
  - For looking out for others and being mindful of their feelings
  - For picking somebody up when they were hurt
  - For tidying the mess that I didn't make
- Think about how YOU will achieve yours!**

Each week, we focus on work undertaken by a different class. This week, it was the turn of 5B who say ... For the last two weeks, we have been learning all about 'forces' in science. As part of this topic, we did an investigation into air resistance. The children had to make three parachutes out of the same material and shapes, but they had to be different sizes. They had to find out which parachute would fall the slowest and, therefore, have the most air resistance. The children had great fun and learned that the larger the surface area, the more air resistance was created and the parachute fell the slowest.

### Ladybridge Has Got Talent!

As we approach Christmas, many of our pupils will be thinking about our Christmas Talent Show. This year, there are going to be some changes...

- If you want to do a singing audition, then you will need to do this at home and upload your video to your class teacher via Class Dojo.
- If you have got any other talent, then you can begin practising so you're ready for your class auditions which will take place in the last two weeks of term (class teacher will inform you when).
- During the class auditions, singing videos will be watched at the same time as other acts and, as always, pupils will then vote for which top two acts go through to the whole school final.

- All finalists will have a video of their act which will then be watched by all classes during a 'live' talent show final on the final Friday of this term.
- Our current talent cup holders are Dana (last year's 6B) and Zainuddin (last year's 5B).

### September 2021 Intake

We would usually hold an 'Open Day' around this time of year, which gives prospective parents an opportunity to chat to Year 6, look around our wonderful school and ask any questions they may have. Unfortunately, we are unable to do that this year, due to the restrictions imposed by Covid-19. We understand how important it is for parents to look around the schools they are considering for their child. Therefore, as an alternative to the Open Day, we are currently compiling a tour video that will give you an insight to our bright and happy school. This video is very nearly finished, and will appear on the 'New Parents (Sept 2021)' tab of our website, when it's ready.

### Water Bottle Reminder

Please ensure all children have a clean, named water bottle in school with them each day. It's especially important during these times of lockdown that all children have a water bottle of their own.
