Remember how important it is to be in school all day, every day.

WE NEED EVERYONE TO LOOK AFTER SCHOOL READING BOOKS

Over the last few years, we have spent a lot of money on buying new reading books, across the whole school.

This week, this reading book (below) was returned to school with the front cover completely ripped.

This is not fair on school or other children who want to read this book next. We know that accidents sometimes happen - so please be honest with your class teacher when you return your book.

We also know that sometimes, younger children or animals can ruin books unintentionally. Please keep all reading books safe - they are precious.

We expect all ruined books to be paid for by parent/carers, as we cannot afford to replace them.

Each week, we focus on work undertaken by a different class. This week, it was the turn of Reception L, who say ... in the Hedgehog class, we have been learning all about minibeasts! We have been looking for minibeasts in our outdoor environment and have found out lots of facts about these bugs. We have created 'guess the bug' sheets for our friends to play, using all our knowledge about minibeasts. In the afternoons, we have been problem-solving and finding clues to unlock codes. We had to answer many questions about minibeasts and their habitats to find the next clue. When we finally cracked the code, we had a special surprise inside ... ingredients to make some minibeast cupcakes! What a fun and busy week we have had in Reception 😊

REMINDER

Please be reminded that nobody should exit via the car park gates on foot. The car park should only be accessed by vehicles. We have had several near misses which are always very frightening. It is a very busy area and could result in a serious accident. Thank you for your co-operation and support in helping to keep us all safe.

Eid Secrets' Room

Reminder that the Eid Secrets' Room will be open during the school day on Friday 7 May (see letter and order form that was sent home last week). For just £3.00 per present, children can select gifts for family members, friends, neighbours or teachers etc. All orders must be returned to school before 3.30pm on Tuesday 4 May. Thank you.

Halal Meat Survey (Years Rec - 5)

Thank you to those who have already responded to the Nearpod online survey, however, a number of parents have had technical difficulties accessing this. We have, therefore, decided to distribute a paper version of this survey next week.

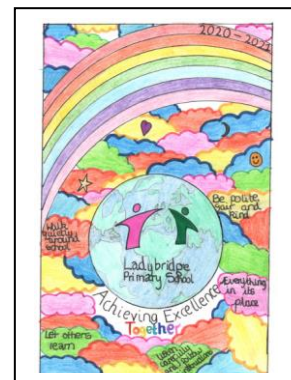

Although a high number of parents have responded to the online survey, in order to get a fully accurate picture, ALL parents of pupils from Reception Class to Year 5 should complete and return the paper survey, regardless of whether they have completed the Nearpod online survey or not.

Thank you for your understanding and support.

Diary Front Cover Competition

Competition time... it's that time of year when we ask for your ideas/designs for the front cover of next year's diary:

- Your picture should be portrait (NOT landscape) and measure 13cm x 19cm.
- It's for the school year 2021-22.
- No spelling mistakes.
- Your own drawing and writing (not done by an adult or older sibling).
- It's for a diary that will be used by children from Reception age, all the way through to Year 6.
- Be creative, imaginative and colourful.
- Entries can be scanned and emailed to office@ladybridge.bolton.sch.uk or photographed and sent via Class Dojo to your class teacher. Please keep your original drawing safe as, if you win, we'll need to submit this to the printing company.
- Competition closing date is Friday 7 May.

Good Luck!
