

## Ladybridge Primary School – Governors’ Impact Statement – Summer Term 2021

The purpose of the Governor Impact statement is to show all stakeholders of Ladybridge Primary school the activities the Governing Board has undertaken and the impact of these activities over each term.

### Governor activities

### Impact of activity

Governors discussed and agreed iPad repairs.	Governors were able to understand the cost and repair issues for the iPads that are used by both pupils and staff.
Governors discussed the progress of pupils with SEND.	Governors were able to gain a deeper understanding of the needs of pupils with SEND and the strategies used to support their progress in school.
Governors asked about the Cultural Capital activities.	Governors were updated on the details of the activities that had taken place in school over the previous year and the benefits of this.
The Governors met with the English subject leads.	Governors were updated on the progress in this subject and now have a greater understanding of the developments that have been made in all areas of the English curriculum.
