

Ladybridge Primary School - Governor's Impact Statement – Summer Term 2022.

The purpose of the Governor Impact statement is to show all stakeholders of Ladybridge Primary school the activities the Governing Board has undertaken and the impact of these activities over each term.

Governor activities

Impact of activity

Governors were informed about EYFS children in the current school year and their learning journey so far.	Governors now have a deeper understanding of the progress that is made across the EYFS curriculum.
Governors were given details about the challenges of SEND pupils	Governors had an informed discussion on the strategies that are used to support pupils with SEND needs in school.
Governors considered the staffing structure for the next academic year.	Governors looked at the how staff are situated, across school based on their skill set.
The Governors discuss school policies on a set time table each year.	This enables Governors to regularly approve school policies. The Behaviour Policy was one that was discussed in detail and was approved.
