

Ladybridge Primary School – Governors’ Impact Statement – Autumn Term 2021

The purpose of the Governor Impact statement is to show all stakeholders of Ladybridge Primary School the activities the Governing Board has undertaken and the impact of these activities over each term.

Governor activities

Impact of activity

Governors discussed the school educational priorities for this year.	Governors were clear about the learning priorities for the school which is linked to the future committee agendas.
Governors were given more information about The Rosenshine Principles.	Governors were able to understand these new learning techniques which are being used to support pupils to recall and build on previous learning.
Governors asked about the EAL/INA children and how they progress.	Governors discussed, in greater detail, the needs of these children when they arrive at school with little knowledge of the English Language. We discussed how the pupils learn and what strategies are in place to support their development.
The Governors were briefed on and approved the Remote Learning Policy.	Governors appreciated this policy is very important, in these difficult times when school or classes are closed.
