

Ladybridge Primary School - Governor's Impact Statement – Summer Term 2024.

The purpose of the Governor Impact statement is to show all stakeholders of Ladybridge Primary school the activities the Governing Board has undertaken and the impact of these activities over each term.

Governor activities

Impact of activity

Governors discussed the increase in price of Labracadra school club	Governors approved a price rise to keep the up with rising cost and is still great value compared to other schools.
Governors approved the purchased of iPads and school Lighting	Governors are aware of the replacement of older iPads and school lights for energy efficiency
Governors discussed the school end of term data for pupils	This confirmed the children were doing well and were much more positive which reflects the schools excellent efforts in the education of the children in the right direction
The Governors agreed the summer school term priorities	This helps to direct the school resources to where the needs of the children are needed in the coming terms
