With all the concerns over the coronavirus outbreak and how this might impact schools and your child's learning, we wanted to offer you some ideas to help you continue their education during any potential isolation period or school closure. The children can continue to access our online learning platforms that they already use. These include:

- TT Rockstars - <https://trockstars.com>
- Spelling Shed - <https://www.spellingshed.com>
- MyMaths - <https://www.mymaths.co.uk>
- Reading theory - <https://readtheory.org> (not all classes use this, it focuses on comprehension skills. It is very easy to sign up as a parent so that your child can use this resource.)
- Purple Mash - The children can access this from the learning platform on the school website. The login details should be available to your child (usually in school diaries)

As well as the platforms above, we consider it vital that **children continue to read daily.**

There are also lots of companies that are providing free Home Learning Packs for parents to use. We have looked through some of them and recommend the ones below:

Classroom secrets - <https://classroomsecrets.co.uk/free-home-learning-packs/> These packs have been split up into year groups. Each year group has Maths, GPS (Grammar, Punctuation and Spelling), Reading and Practical ideas. You will need to download the activities.

Teacher's Pet - <https://tpet.co.uk/> There are 4 learning packs on this site and they have been split into age groups:

- EYFS Home learning resource pack - Reception children
- KS1 Home Learning Pack - Years 1 and 2
- Lower KS2 - Years 3 and 4
- Upper KS2 - Year 5 and 6

Twinkl - <https://www.twinkl.co.uk/resources/wellbeing-parents/school-closures-category-free-resources-parents/school-closures-free-resources-parents> These have also been split into year groups. You click on the learning pack you want and download.

tts - <https://www.tts-group.co.uk/home+learning+activities.html>

- EYFS activities will be being released soon.
- There are 2 booklets that you can download. One for KS1 and the other KS2.

We hope that this will provide you with lots of new and exciting learning opportunities, and thank you for your continued support.
