Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	Stats:	<u>Further context</u>
		Relative to local challenges
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	68%	A significantly large proportion of our school community do not go swimming prior to their first lessons in Y4. This is because of a number of factors, including culture, time and priorities
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	60%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	60%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes	Additional lessons are provided for Y4. The usual swimming lessons are provided to Y5 (with additional space being made available to pupils in Y6 who require additional swimming time).
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	N/A	Swimming lessons are led by qualified swimming teachers based at the local sports centre.
