

PSHE (H.E.L.Ps) Progression Map

**“It is vital that when educating our children’s brains, we do not neglect to educate their hearts.” Dalai
Lama**

Our Curriculum Intent:

Our curriculum is designed to take into account individual starting points to ensure an equality of opportunity to a broad, balanced and **knowledge-rich** curriculum, with a particular **emphasis on VOCABULARY**. The content of our **ambitious** curriculum is carefully **sequenced** to encourage progression of **skills, connections** and **transference to long-term memory**, and is chosen for its **usefulness** and **relevance** to our pupils. Pupils are immersed in **rich, relevant and contextualised** first-hand experiences, which enthuse, excite and challenge them. Pupils are encouraged to investigate, explore and take risks. As a result, pupils make excellent progress in their development and application of knowledge, understanding and skills (across different contexts).

At Ladybridge, we encourage our pupils to, ‘Think like Citizens.’

Intent:

At Ladybridge, we provide a carefully sequenced and ambitious PSHE curriculum that progressively builds pupils’ knowledge and skills over time. Our PSHE topics have been thoughtfully selected to help children develop a secure understanding of themselves and others, while encouraging curiosity, empathy, and resilience in their everyday lives. Pupils build their knowledge of personal, social, health, and economic issues, learning how to make informed decisions that support their own wellbeing and the wellbeing of those around them. Through practical, discussion-based, and real-life contextualised learning experiences, pupils are immersed in PSHE that is relevant, meaningful, and engaging. They are taught to reflect on their feelings, make reasoned choices, solve problems collaboratively, and understand the consequences of their actions. The curriculum places a strong emphasis on relationships and emotional literacy. Pupils develop self-awareness, empathy, and integrity, learning to form positive relationships and communicate respectfully. They explore diversity, understand the importance of inclusion, and recognise how their actions contribute to their communities. Our PSHE programme, aligned with Kapow Primary’s RSE & PSHE scheme, also provides a foundation for safeguarding, helping pupils navigate an increasingly complex world with confidence and care. Lessons promote resilience, personal agency, and a sense of responsibility, enabling children to approach life’s challenges with maturity and compassion. By progressively strengthening their knowledge and skills, Ladybridge pupils develop a deep understanding of themselves, their relationships, and the wider world. This equips them for future learning and life, helping them to think critically, act responsibly, and become kind, thoughtful, and socially aware citizens.

Implementation:

At Ladybridge, PSHE, which is known as HELP(S) lessons to the children, is taught every week. This regular, consistent approach ensures pupils have frequent opportunities to build, revisit, and deepen their personal, social, health, and economic understanding. A carefully designed progression grid underpins our PSHE curriculum. The progression of learning is mapped to ensure concepts build systematically over time, enabling pupils to develop secure knowledge and skills year on year. The curriculum is mapped out into 6 key areas: families and friendships, health and wellbeing, safety and the changing body, citizenship and economic wellbeing. Learning is scaffolded carefully across the school, with each year group revisiting and extending prior knowledge to promote depth and long-term understanding. At Ladybridge, we believe it is essential for pupils to develop their personal, social, and emotional understanding through rich, practical, and discussion-based experiences. Teachers provide regular opportunities for pupils to reflect on their feelings, discuss dilemmas, make decisions, and practise strategies for managing change and relationships. Pupils are encouraged to be curious, ask questions, show empathy, and think critically about themselves, others, and the wider community. Through this approach, we aim to nurture confident, motivated, and socially aware young people who are equipped to make informed choices, manage challenges, and contribute positively to their communities.

Impact:

At Ladybridge, the impact of our PSHE curriculum is seen in pupils who think and act like thoughtful, reflective, and socially aware individuals. They are curious, empathetic, and increasingly confident in understanding themselves, others, and the world around them. By the time they leave us, children have a secure understanding of key PSHE concepts, strong foundational knowledge, and the ability to apply personal, social, and emotional skills with confidence and independence. They are equipped with a rich and progressive PSHE vocabulary that enables them to articulate their ideas clearly, express their feelings appropriately, and explain their thinking when discussing relationships, wellbeing, and citizenship. Children demonstrate their learning to a high standard in a range of purposeful ways, and regular discussions, reflective activities, and practical tasks show their growing confidence in making informed choices, resolving conflicts, and applying strategies to support their own wellbeing and that of others. Consistent teaching and collaborative staff moderation ensure that PSHE is delivered effectively across all year groups, with clear progression and high expectations. Engaging, practical, and discussion-based activities help bring PSHE to life and make learning meaningful and memorable. Above all, we want every child to thoroughly enjoy PSHE, feeling motivated to reflect, empathise, participate, and make thoughtful decisions, developing the knowledge, skills, and attitudes to lead healthy, confident, and responsible lives.

Knowledge:

A spiral curriculum

Kapow Primary's RSE and PSHE scheme of work has been designed as a spiral curriculum with the following key principles in mind:

- ✓ **Cyclical:** Pupils revisit the five key areas throughout KS1 and KS2.
- ✓ **Increasing depth:** Each time a key area is revisited, it is covered with greater depth and increasing maturity.
- ✓ **Prior knowledge:** Upon returning to each key area, prior knowledge is utilised so pupils can build on previous foundations, rather than starting again.

Themes:

Themes build knowledge sequentially with opportunities to revisit and build on children's prior learning – deepening knowledge and understanding. Links are made in learning through recurring themes throughout our curriculum.

<u>Key Concepts:</u>	Families and Relationships	Health and Wellbeing	Safety and the Changing Body	Citizenship	Economic Wellbeing
					
	Learning how to recognise and form positive relationships with family and friends; identifying how to deal with conflict and bullying.	Learning strategies for maintaining physical and mental health, including hygiene, exercise, healthy eating, sleep and self-awareness.	Learning how to stay safe in a variety of online and offline situations; what to do in an emergency; naming parts of the body; distinguishing between appropriate and inappropriate physical contact; identifying the physical and emotional changes of puberty.	Recognising the importance of rules; caring for others and the local environment; learning about rights, responsibilities and the importance of participation in community life.	Exploring what money is, ways to earn it and how to take care of it.

Understand

Progression of Skills and Knowledge

Families and Relationships

Sub-strand	EYFS (Reception)		Year 1		Year 2	
	Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Family	Talking about people that hold a special place in my life.	N/A	Exploring how families are different to each other.	<p>To understand that families look after us.</p> <p>To know some words to describe how people are related (eg. aunty, cousin).</p> <p>To know that some information about me and my family is personal.</p>	Understanding ways to show respect for different families.	<p>To know that families can be made up of different people.</p> <p>To know that families may be different to my family.</p>
Friendships	<p>Developing strategies to help when sharing with others.</p> <p>Exploring what makes a good friend.</p>	To know that we share toys so that everyone feels involved and no one feels left out or upset.	<p>Exploring how friendship problems can be overcome.</p> <p>Exploring friendly behaviours.</p>	<p>To understand some characteristics of a positive friendship.</p> <p>To understand that friendships can have problems but that these can be overcome.</p>	Understanding difficulties in friendships and discussing action that can be taken.	<p>To know some problems which might happen in friendships.</p> <p>To understand that some problems in friendships might be more serious and need addressing.</p>
Respectful relationships	<p>Thinking about what it means to be a valued person.</p> <p>Exploring the differences between us that make each person unique.</p> <p>Considering the perspectives and feelings of others.</p> <p>Learning to work as a member of a team.</p>	<p>To understand that different people like different things.</p> <p>To understand that all people are valuable.</p>	N/A	To know that it is called stereotyping when people think of things as being 'for boys' or 'for girls' only.	Exploring the conventions of manners in different situations.	<p>To understand what good manners are.</p> <p>To understand some stereotypes related to jobs.</p>
Change and loss	N/A	N/A	N/A	N/A	Exploring how loss and change can affect us.	To know that there are ways we can remember people or events.

Sub-strand	Year 3		Year 4	
	Skills	Knowledge	Skills	Knowledge
Family	Learning that problems can occur in families and that there is help available if needed.	To know that I can talk to trusted adults or services such as Childline if I experience family problems.	N/A	N/A
Friendships	Exploring ways to resolve friendship problems. Developing an understanding of the impact of bullying and what to do if bullying occurs.	To know that bullying can be physical or verbal. To know that bullying is repeated, not a one off event. To know that violence is never the right way to solve a friendship problem	Exploring physical and emotional boundaries in friendships.	To understand the different roles related to bullying including victim, bully and bystander. To understand that everyone has the right to decide what happens to their body.
Respectful relationships	Identifying who I can trust. Exploring the negative impact of stereotyping.	To know that trust is being able to rely on someone and it is an important part of relationships. To understand that there are similarities and differences between people.	N/A	To understand the courtesy and manners which are expected in different scenarios. To understand some stereotypes related to disability.
Change and loss	N/A	N/A	Discussing how to help someone who has experienced a bereavement.	To know that bereavement describes the feeling someone might have after someone dies or another big change in their lives.

Sub-strand	Year 5		Year 6	
	Skills	Knowledge	Skills	Knowledge
Family	Identifying ways families might make children feel unhappy or unsafe.	<p>To know that marriage is a legal commitment and is a choice people can make.</p> <p>To know that if I have a problem, I can call ChildLine on 0800 1111.</p>	N/A	N/A
Friendships	<p>Exploring the impact that bullying might have.</p> <p>Exploring issues which might be encountered in friendships and how these might impact the friendship.</p>	<p>To understand what might lead to someone bullying others.</p> <p>To know what action a bystander can take when they see bullying.</p>	Identifying ways to resolve conflict through negotiation and compromise.	<p>To know that a conflict is a disagreement or argument and can occur in friendships.</p> <p>To understand the concepts of negotiation and compromise.</p>
Respectful relationships	Exploring and questioning the assumptions we make about people based on how they look.	<p>To know that stereotypes can be unfair, negative and destructive.</p> <p>To know that discrimination is the unfair treatment of different groups of people, especially on the grounds of race, age, sex, or disability.</p>	<p>Discussing how and why respect is an important part of relationships.</p> <p>Identifying ways to challenge stereotypes.</p>	<p>To understand what respect is.</p> <p>To understand that everyone deserves respect but respect can be lost.</p> <p>To understand that stereotypes can lead to bullying and discrimination.</p>
Change and loss	N/A	N/A	Exploring the process of grief and understanding that it is different for different people.	<p>To understand that loss and change can cause a range of emotions.</p> <p>To know that grief is the process people go through when someone close to them dies.</p>

Health and Wellbeing

Sub-strand	EYFS		Year 1		Year 2	
	Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Health and prevention	Discussing ways that we can take care of ourselves.	To know that having a naturally colourful diet is one way to try and eat healthily,	Learning how to wash hands properly. Learning how to deal with an allergic reaction.	To understand we can limit the spread of germs by having good hand hygiene. To know the five S's for sun safety: slip, slop, slap, shade, sunglasses. To know that certain foods and other things can cause allergic reactions in some people.	Exploring the effect that food and drink can have on my teeth.	To know that food and drinks with lots of sugar are bad for my teeth.
Physical health and wellbeing	Exploring how exercise affects different parts of the body.	To know that exercise means moving our body and is important.	Exploring positive sleep habits.	To know that sleep helps my body to repair itself, to grow and restores my energy.	Exploring some of the benefits of a healthy balanced diet. Suggesting how to improve an unbalanced meal.	To understand the balance of foods we need to keep healthy.
Mental wellbeing	Identifying how characters within a story may be feeling. Identifying and expressing my own feelings. Exploring coping strategies to help regulate emotions. Exploring different facial expressions and identifying the different feelings they can represent. Exploring ways to moderate behaviour, socially and emotionally. Coping with challenge when problem solving.	To name some different feelings and emotions. To know that I am a valuable individual. To know that facial expressions can give us clues as to how a person is feeling. To know that I can learn from my mistakes. To know some strategies to calm down.	Identifying different ways to manage feelings.	To know that strengths are things we are good at. To know that qualities describe what we are like. To know the words to describe some positive and negative emotions.	Exploring strategies to manage different emotions. Developing empathy. Exploring the need for perseverance and developing a growth mindset.	To know that we can feel more than one emotion at a time. To know that a growth mindset means being positive about challenges and finding ways to overcome them.

Sub-strand	Year 3		Year 4	
	Skills	Knowledge	Skills	Knowledge
Health and prevention	Understanding why it is important to look after my teeth.	To understand ways to prevent tooth decay.	Developing independence in looking after my teeth.	To know key facts about dental health.
Physical health and wellbeing	Developing the ability to plan for a healthy lifestyle with physical activity, a balanced diet and rest.	To know the different food groups and how much of each of them we should have to have a balanced diet.	N/A	N/A
Mental wellbeing	Being able to breakdown a problem into smaller parts to overcome it.	<p>To understand the importance of belonging.</p> <p>To understand what a problem or barrier is and that these can be overcome.</p>	<p>Explore ways we can make ourselves feel happy or happier.</p> <p>Developing the ability to appreciate the emotions of others in different situations.</p> <p>Learning to take responsibility for my emotions by knowing that I can control some things but not others.</p> <p>Developing a growth mindset.</p>	<p>To know that it is normal to experience a range of emotions.</p> <p>To know that mental health refers to our emotional wellbeing, rather than physical.</p> <p>To understand that mistakes can help us to learn.</p> <p>To know who can help if we are worried about our own or other people's mental health.</p>

Sub-strand	Year 5		Year 6	
	Skills	Knowledge	Skills	Knowledge
Health and prevention	Developing independence for protecting myself in the sun.	To understand the risks of sun exposure.	Discussing ways to prevent illness. Identifying some actions to take if I am worried about my health or my friends' health.	To understand that vaccinations can give us protection against disease. To know that changes in the body could be possible signs of illness.
Physical health and wellbeing	Considering calories and food groups to plan healthy meals. Developing greater responsibility for ensuring good quality sleep.	To know that calories are the unit that we use to measure the amount of energy certain foods give us. To know that what we do before bed can affect our sleep quality.	Setting achievable goals for a healthy lifestyle.	To understand that a number of factors contribute to my physical health (diet, exercise, rest/relaxation, dental health).
Mental wellbeing	Taking responsibility for my own feelings.	N/A	Developing strategies for being resilient in challenging situations.	To understand that a number of factors contribute to my mental health (Diet, exercise, rest/relaxation). To know the effects technology can have on mental health.

Safety and the Changing Body

Sub-strand	EYFS (Reception)		Year 1		Year 2	
	Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Being safe (including online)	<p>Considering why it is important to follow rules.</p> <p>Exploring what it means to be a safe pedestrian.</p>	<p>To know that some rules are in place to keep us safe.</p> <p>To know how to behave safely on the pavement and when crossing roads with an adult.</p>		<p>To know that some types of physical contact are never appropriate.</p>	<p>Discussing the concept of privacy.</p> <p>Exploring ways to stay safe online.</p>	<p>To know the PANTS rule.</p> <p>To know that I should tell an adult if I see something which makes me uncomfortable online.</p> <p>To understand the difference between secrets and surprises.</p>
Drugs, alcohol and tobacco	N/A	N/A	<p>Learning what is and is not safe to put in or on our bodies.</p>	<p>To know that some things are unsafe to put onto or into my body and to ask an adult if I am not sure.</p>	<p>Exploring what people can do to feel better when they are ill.</p> <p>Learning how to be safe around medicines.</p>	<p>To know that medicine can help us when we are ill.</p> <p>To understand that we should only take medicines when a trusted adult says we can.</p>
The changing adolescent body	N/A	N/A	N/A	N/A	N/A	<p>To know the names of parts of my body including private parts.</p>
Basic first aid	N/A	N/A	<p>Practising making an emergency phone call.</p>	<p>To know that an emergency is a situation where someone is badly hurt, very ill or a serious accident has happened.</p> <p>To know that the emergency services are the police, fire service and the ambulance service.</p>	N/A	N/A

Sub-strand	Year 3		Year 4	
	Skills	Knowledge	Skills	Knowledge
Being safe (including online)	<p>Exploring ways to respond to cyberbullying or unkind behaviour online.</p> <p>Developing skills as a responsible digital citizen.</p> <p>Identifying things people might do near roads which are unsafe.</p>	<p>To understand that cyberbullying is bullying which takes place online.</p> <p>To know the rules for being safe near roads.</p>	<p>Discussing how to seek help if I need to.</p> <p>Exploring what to do if an adult makes me feel uncomfortable.</p> <p>Learning about the benefits and risks of sharing information online.</p>	<p>To understand that there are risks to sharing things online.</p> <p>To know the difference between private and public.</p>
Drugs, alcohol and tobacco	<p>Exploring that people and things can influence me and that I need to make the right decision for me.</p> <p>Exploring choices and decisions that I can make.</p>	<p>To understand that other people can influence our choices.</p>	<p>Discussing the benefits of being a non-smoker.</p>	<p>To understand the risks associated with smoking tobacco.</p>
The changing adolescent body	N/A	N/A	<p>Discussing some physical and emotional changes during puberty.</p>	<p>To understand the physical changes to both male and female bodies as people grow from children to adults.</p>
Basic first aid	<p>Learning what to do in a medical emergency, including calling the emergency services.</p>	<p>To know that it is important to maintain the safety of myself and others, before giving first aid.</p>	N/A	N/A

Sub-strand	Year 5		Year 6	
	Skills	Knowledge	Skills	Knowledge
Being safe (including online)	Developing an understanding of how to ensure relationships online are safe.	<p>To know the steps to take before sending a message online (using the THINK mnemonic).</p> <p>To know some of the possible risks online.</p>	Exploring online relationships including dealing with problems.	<p>To understand that online relationships should be treated in the same way as face to face relationships.</p> <p>To know where to get help with online problems.</p>
Drugs, alcohol and tobacco	Learning to make 'for' and 'against' arguments to help with decision making.	To know some strategies I can use to overcome pressure from others and make my own decisions.	Discussing the reasons why adults may or may not drink alcohol.	To understand the risks associated with drinking alcohol.
The changing adolescent body	Identifying reliable sources of help with puberty.	<p>To understand the process of the menstrual cycle.</p> <p>To know the names of the external sexual parts of the body and the internal reproductive organs.</p> <p>To know that puberty happens at different ages for different people.</p>	Discussing problems which might be encountered during puberty and using knowledge to help.	To understand how a baby is conceived and develops.
Basic first aid	Learning about how to help someone who is bleeding.	To know how to assess a casualty's condition.	Placing an unresponsive patient into the recovery position.	To know how to conduct a primary survey (using DRSABC).

Citizenship

EYFS (Reception)		Year 1		Year 2	
Skills	Knowledge	Skills	Knowledge	Skills	Knowledge
Beginning to understand why rules are important in school.	<p>To know that we have rules to keep everything fair, safe and enjoyable for everyone.</p> <p>To understand that we all have similarities and differences and that make us special.</p> <p>To know that we all have different beliefs and celebrate special times in different ways.</p>	<p>Recognising why rules are necessary.</p> <p>Exploring the differences between people.</p>	<p>To know the rules in school.</p> <p>To understand that people are all different.</p>	<p>Explaining why rules are in place.</p> <p>Learning how to discuss issues of concern to me.</p>	<p>To know some of the different places where rules apply.</p> <p>To know that some rules are made to be followed by everyone and are known as 'laws'.</p> <p>To understand that everyone has similarities and differences.</p>

Year 3		Year 4	
Skills	Knowledge	Skills	Knowledge
<p>Exploring how children's rights help them and other children.</p> <p>Considering the responsibilities that adults and children have to maintain children's rights.</p>	<p>To understand the UN Convention on the Rights of the Child.</p> <p>To know that the local council is responsible for looking after the local area.</p> <p>To know that elections are held where adults can vote for local councillors.</p> <p>To understand the role of charities in the community.</p>	<p>Discussing how we can help to protect human rights.</p> <p>Identifying the benefits different groups bring to the local community.</p> <p>Discussing the positives diversity brings to a community.</p>	<p>To know that human rights are specific rights that apply to all people.</p> <p>To know some of the people who protect our human rights such as police, judges and politicians.</p> <p>To know that there are a number of groups which make up the local community.</p>
Year 5		Year 6	
Skills	Knowledge	Skills	Knowledge
<p>Developing an understanding of how parliament and Government work.</p>	<p>To know what happens when someone breaks the law.</p> <p>To know that parliament is made up of the House of Commons, the House of Lords and the Monarch.</p> <p>To know that parliament is where MPs debate issues, propose laws, amend existing laws and challenge the government's work.</p>	<p>Discussing how education and other human rights protect us.</p> <p>Discussing how people can influence what happens in parliament.</p> <p>Discussing ways to challenge prejudice and discrimination.</p> <p>Identifying appropriate ways to share views and ideas with others.</p>	<p>To know that education is an important human right.</p> <p>To know that the prime minister appoints 'ministers' who have responsibility for different areas, such as healthcare and education.</p> <p>To know that prejudice is making assumptions about someone based on certain information.</p> <p>To know that discrimination is treating someone differently because of certain factors.</p>

Identity

Year 6 only

Skills	Knowledge
Exploring how the media might influence our identity.	To know that identity is is the way we see ourselves and also how other people see us.

SEND Adaptations for P.S.H.E

“Studying geography is so important for children regardless of their age or stage of learning. Geography helps them to make sense of the world around them and piques their curiosity in places and people. Done well, it engages pupils in their world, often spurring them into action, and is fun.”

<u>Cognition and Learning</u>	<u>Communication and Interaction</u> <u>Social</u>	<u>Emotional and Mental Health</u>	<u>Sensory and/or Physical</u>
<p>Use of first-hand practical activities to explore and spark interest.</p> <p>Use of secondary sources to support understanding of content such as books, photos, videos, simulations or animations.</p> <p>Use of alternative ways of recording for writing up experiments including some scribing (leaving blanks for children to complete some known words independently rather than copying).</p> <p>Use of small groups to scaffold SEND children where needed.</p> <p>Physical warm ups to start a lesson to help recall previous learning i.e. some photos of the activities, visitors or themed days with recaps on vocabulary and processes.</p>	<p>Create a calm and simple working classroom with clear routines, expectations and organised, labelled workspaces.</p> <p>Consider carefully where children are seated to maximise their focus and attention and minimise background noise/distraction.</p> <p>Plan movement breaks and classroom jobs to allow children to move within a lesson.</p> <p>PSHE does not always run according to a set routine so children can be prepared for the structure of a lesson by breaking it down for them into manageable chunks and explaining this in advance of the learning. Now and Next boards could be useful for this.</p> <p>Repetition and reinforcement.</p>	<p>The class teacher will have a good knowledge of their class and will treat sensitive situations such as drug use/alcoholism so that those children are aware of the topic in advance of the lesson.</p> <p>Ensure that the learning environment is calm and not too stimulating, that resources are clearly labelled and organised for independent use, therefore not encouraging frustration.</p> <p>Ensure that instructions are clear and tasks are broken down to be achievable.</p> <p>Children can be given a role within a group which does not involve them being highly active or speaking out to not heighten arousal.</p>	<p>Ensure all images are large enough and accessible.</p> <p>Consider where children with a hearing, sensory or other impairment are sitting in relation to the whiteboard or resources.</p> <p>Use of an iPad to support children with a visual impairment where screen sharing can occur.</p> <p>Additional ways of recording, i.e. videos, verbal commentary etc rather than always writing.</p> <p>Working within mixed ability groups to support.</p> <p>Pencil grips, tripod pencils, left handed pens etc to support.</p> <p>Use of IT to support access beyond screen sharing.</p>

	<p>Giving a processing prompt that a question will be coming, give the question before moving onto a few other children, before coming back for the answer.</p> <p>Simple, step by step instructions verbally and then in a prompt sheet.</p> <p>Use of appropriate modelling to support understanding.</p>	<p>Using IT to support where necessary either for whole class learning or for recording their learning.</p> <p>Providing a safe space for children within the lesson if needed – this can be accessed through an adult directed or child-initiated time out card.</p> <p>Use of positive language to encourage good choice and higher self-esteem.</p>	<p>Ear defenders for working time to reduce classroom noise.</p> <p>Providing 'Now and Next' cards to show the child the routine of the lesson.</p> <p>Providing warning of any transition that may occur in the lesson.</p> <p>Careful consideration of trips and visitors for PSHE, will the child need some access arrangements or physical support? A separate risk assessment may be required.</p>
