### Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Year 6	<ul style="list-style-type: none"> <li>What shape would the coordinates (1, 2) (-3, 4) (-1, -5) (5, 9) (4, -1) make?</li> <li>Correct this: Lucy yelled "that's mine, not yours"</li> </ul>

The National Literacy Trust has revealed some shocking data:  
42% of 0-2 year olds spend 1-3 hours with a tablet or mobile phone  
55% of 0-2 year olds do not hear someone read to them on a regular basis  
All of this is having a detrimental impact upon pupils, so when they arrive in school they are already behind the average expectations for reading  
**Please continue to do all you can to support your children with their reading at home - it is so important and impacts upon every area of learning and their futures.**
