

Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Next week is half-term!

With 5 half-terms of hard work behind us, please make sure your child has time to rest.

The last half-term will be as busy as ever, and is a crucial time for pupils to show how well they can apply all their learning from this year. This will inform end of year reports and ensure that your child is ready to move up to the next year group.

As always, your support with learning is greatly appreciated.

See you all at 8.40am on Monday 3rd June!
