day.

Ladybridge Learning Conversations

Do you ever ask your child, 'What have you been learning at school today?', and they respond, 'Nothing'? Well, ask them these questions instead, and see what they say! We'll be sending home two weekly questions per year group to support your learning conversations at home. Look out for these on Class Dojo and here on the newsletter!

Reception	<ul style="list-style-type: none"> What comes next in this pattern - clap, tap, clap, tap ... ? Can you think of a word that begins with 's'?
Year 1	<ul style="list-style-type: none"> Which of these words needs a capital letter? tin, pen, sue What clothing do we need to wear in the Autumn?
Year 2	<ul style="list-style-type: none"> Which is greater, 38 or 45? How do you know? What is 'seasonal produce'?
Year 3	<ul style="list-style-type: none"> What are the rules for using inverted commas correctly? Explain how to make a roundhouse.
Year 4	<ul style="list-style-type: none"> Round 4351 to the nearest 10, 100 and 1000. Name 3 organs of the digestive system.
Year 5	<ul style="list-style-type: none"> Round 65,124 to the nearest 10,000 What are the five pillars of Islam?
Year 6	<ul style="list-style-type: none"> Explain the difference between climate and weather. What are the prime, square and cube numbers up to 100?

Keep voting...LAST 2 DAYS!

TESCO COMMUNITY GRANT - please vote for Ladybridge!

The customer vote is in three Tesco stores until the end of September:

Westhoughton Exp
(BL5 3JS),

Horwich Extra
(BL6 6JS)

Adlington
(PR6 9LQ)

No MORE NUTS

We have children at school who have severe nut allergies - we must all do all we can to keep everyone safe.

Pupils are still bring in food with nuts in. Please check your child's packed lunch/snack before they bring it into school:

nutella	Pstachio nuts	peanut and raisin mix	snickers
			

Selection boxes contain nuts:

Celebrations: Snickers

Heroes: Dinky Decker

Roses: purple wrapper with orange edges and also purple wrapper

Quality Streets: purple wrapper and green triangle wrapper

100 Mile Challenge

This week, we are launching the 100 Mile Challenge Programme - to get all pupils to complete and record 100 miles of physical activity during the academic year.

Miles can be measured both within and outside of the school day, through walking, running, cycling, swimming and anything else that which involves covering distance (eg. playing a football match).

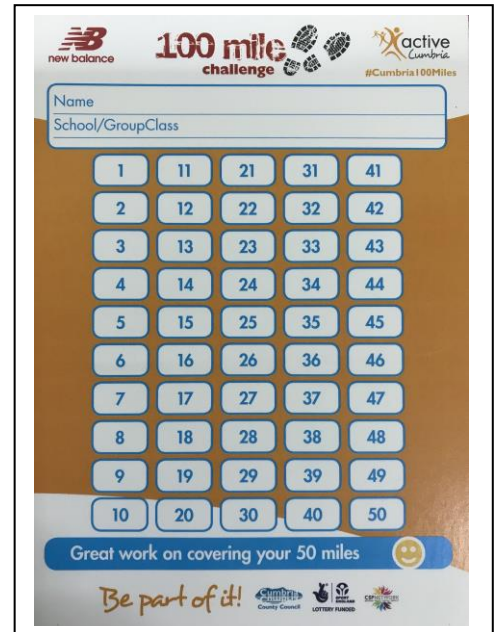

Your child has been given a card today, to record every mile they complete this year. Please keep this safe, but also handy so you can mark off every time they complete a mile.

Every time they have completed certain milestones (10 miles, 25 miles, 50 miles, 75 miles, 100 miles), please let your child's class teacher know, so we can award a certificate.

It would be great if you could take regular photos of the card and post them on Class Dojo, so we can celebrate how well everyone is doing.

We're not expecting the challenge to be completed until 2024, but when the card is complete, please bring it back into school.

Our aim is for children and young people to feel more motivated, confident and able to get active - which will also increase the likelihood of being active later in life. This programme will also support all children in meeting the levels of physical activity recommended by government).

The card is for the '100 mile challenge' and features the New Balance logo, 'active Cumbria' logo, and the hashtag #Cumbria100Miles. It has a section for 'Name' and 'School/Group/Class'. Below this is a grid of 50 numbered boxes (1-50) for tracking miles. At the bottom, it says 'Great work on covering your 50 miles' with a smiley face icon and 'Be part of it!' with logos for Cumbria Council, Bolton Council, and Ladybridge Primary School.

Helpful hints:

- There are 1600 metres in a mile.
- Measure your child's stride if you want really accurate tracking!
- Use your smart phone to tell you the distance walked from one place to another.
- If you're counting steps, there's about 2,600 steps in a mile for a child walking!
- In a 15minute football/rugby type game, a child is likely to cover about $\frac{1}{2}$ a mile.

A huge THANK YOU to everyone who contributed to the MacMillan Coffee and Cake morning at school today...
We raised over £300.
