

Equality Objectives

March 2026

1. DIVERSITY

Increase pupils' understanding and respect for different cultures and religions through the curriculum, assemblies, and themed events.

2. INCLUSION

Ensure that all pupils, including those with SEND, can fully participate in school activities, trips, clubs, and leadership opportunities.

3. UNDERSTANDING OF INCLUSION

Pupils understand that everyone learns differently and are respectful of these differences, recognising that some learners may need different types of support or challenge to succeed.

4. DISADVANTAGED CHILDREN

Identify and reduce any gaps in attainment or progress between disadvantaged and non-disadvantaged pupils through targeted support and inclusive teaching strategies.
