### HEAD’S UPDATE

Dear Parents and Carers,

Happy Number Day everyone! It was great fun to see so many numbers all around the school today and we enjoyed the opportunity to welcome you into school once again. The children really love being able to share their learning with you and it is great opportunity for us to give you a little insight into the type of learning that happens in your child’s class. We also raised a wonderful £112 for the NSPCC.

Those of you who visited the hall for the number activities this afternoon will also have spotted our fully stocked vending machine. I have quite a queue of children on a Monday assembly now, ready to collect their golden token for their 75 reads and receive their new book. The children seem to be emptying it as fast as I fill it at the moment! I am delighted to be able to tell you that we have just received another grant of £2000 from BFBS- the original sponsors of our machine - so that we can continue to keep our vending machine well stocked through the remainder of the year. We can’t wait to see which books your children choose!

Our value for the month of February is Self Belief – The children will be discussing the importance of believing in yourself and never giving up in their assemblies and their classrooms. If your child has demonstrated self-belief in any of their out of school activities or at home, we would love to hear about them. Please send any Self Belief value shout-outs to the office and we can celebrate them in our weekly newsletter!

# Bake Sale

8 February 2024 at 15:15

Please bring bake sale donations to school in the morning - remember no nuts please!

All proceeds will go towards our Fire Hut Fundraiser!

We will also be selling tuck alongside the home made bakes.

Just imagine how fabulous this fire hut would look in our Forest School area!

We believe it would be a great addition to our children's outdoor learning experience and would love your support in our fundraising efforts.
