Year 6 Leavers Assembly at 10.45am.

Open Book Afternoon. Parents welcome from 1pm.

1.30pm Finish.

### HEAD'S UPDATE

Dear Parents and Carers,

I can not believe that we are so close to the end of Term 6!

Aspiration was the value of the Month for June and we brought that to a close on Monday with a fabulous careers fair for our Year 6 pupils. We were joined by some hugely inspirational professionals who shared with our children the skills and attributes need to carry out their jobs. The children spent time talking to midwives, a policeman, a dentist, a specialist shoe fitter, a doctor, a research scientist, a soldier, a software sales person and a 99 call handler! They also enjoyed an in class session from a barrister and online chats with an Olympic swimmer and an engineer. The children thoroughly enjoyed their morning and were hugely impressive with how curious they were and how enthusiastically they spoke to our visitors - well done Wessex class!

The summer term is always full of fun activities that are enjoyed by the whole of our school community. Our summer fete last week was a huge success and a massive thank you must go to the PTA for an extraordinary amount of hard work that went in to creating such a splendid occasion.

Our final event of the year will be our Sponsored walk on July 18th. We can't wait to find out how much money you have all been able to raise to support our wonderful PTA in their mission to purchase an outdoor classroom for our forest school.

Charlotte Harmer

Head Teacher

### WEEKLY ATTENDANCE

Longleat - 96.36%

Archer - 98.04%

Salisbury - 95.25%

Stonehenge - 96.07%

Danebury - 97.14%

Woodhenge - 97.78%

Silbury - 95.45%

Wessex - 93.48%

The Department for Education stipulates school attendance should be no lower than 96%.

Congratulations to this week's class attendance winners!

### ARCHER CLASS

Well done!

### REQUEST

Please ensure you are using the pedestrian zone when walking through our car park. Sometimes vehicles can turn quite unexpectedly and the pedestrian zone is there to keep all adults and children safe.

Thank you.

### Archer Class

Archer Class showed the value of aspiration through their enthusiastic participation and determination in every event on Sports Day. Whether it was the throwing activities, running or egg and spoon races. Each child put in their best effort, cheering each other on and striving to achieve their personal best. What a supportive, encouraging class you are – I am so proud!

Our Value of the Month of June was

## Aspiration

Here are some examples of how we have shown Aspiration.

*“At Larkhill Primary School, we will show endeavour, determination and effort to be the best we can be. We will strive and work hard, helping others in the process.”*

### Silbury Class

Silbury Class have demonstrated aspiration this month with their determination in Art. We have been working so hard on our drawings from a one-point perspective. Sana has particularly impressed me this month with her determination to achieve her full potential. Well done to all of Silbury Class.

### Longleat Class

Longleat Class showed fantastic aspiration on their recent trip to the Watercress Line. They eagerly asked questions about the historic trains and how steam engines worked. Many of the children showed a keen interest in becoming a train driver one day! The children worked hard together to complete the iSpy around the train platform and complete the checklist on our journey. Well done Longleat Class!

### Wessex Class

Wessex Class have shown fantastic aspiration with their practice towards our show “I’m an 11 year old, get me out of here”. They have worked so hard to learn all their lines and practise the songs, often using their own time to do this. All their aspiration and hard work is paying off as we get closer to our first performance. Well done Wessex Class!

### Woodhenge Class

Woodhenge Class showed aspiration when practising and participating in Sports Day. They all wanted to improve their skills, try their best and importantly, show encouragement, kindness and aspiration for others as well as themselves.

### Danebury Class

Danebury Class has demonstrated the value of aspiration while attempting to challenge themselves during Maths and English. They have used lots of different strategies to solve maths problems and used lots of similes writing a letter to the ‘Dream Giver’. Well done for all your dedication and hard work Danebury Class.

### Stonehenge Class

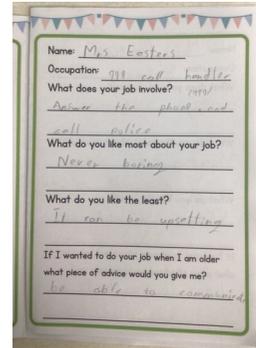

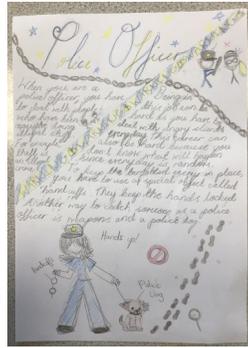

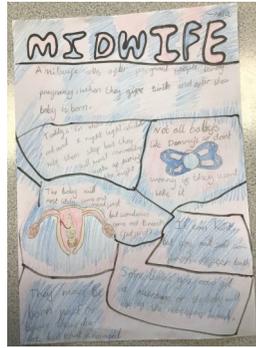

Stonehenge Class showed great aspiration at Sports Day with everyone trying really hard and taking part. They have also shown aspiration with their writing and creating balancing data bases in Science and Computing.

### Salisbury Class

Salisbury have worked their socks off as we approach the end of the year and they have shown immense aspiration. They all took part in some ‘quizzes’ to show off what we have learnt this year and the children were remarkable. I could not be prouder of them and how hardworking they have they been. Great work Year 2!

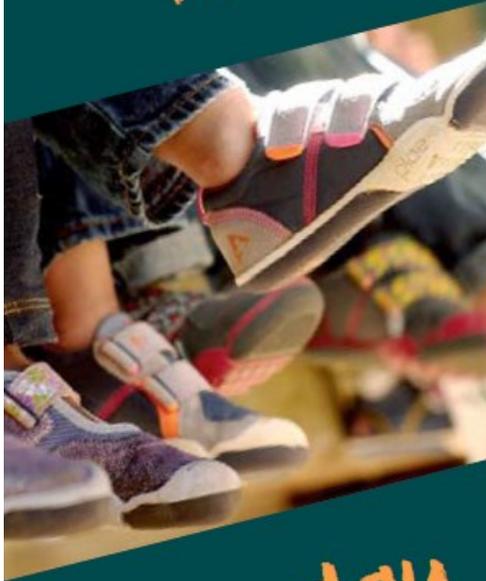

# Larkhill Primary School Careers Fair 2024

# Larkhill Sponsored Walk

## Thursday 18th July

**KS1 - 2.6 Km**

On Thursday July 18<sup>th</sup> the whole school will be walking around Larkhill to raise funds for our PTA.

Children are kindly asked to be sponsored to complete the walk & will need a small backpack with a pre-filled water bottle, a snack & a sun hat.

Sponsorship forms & money are to be brought into school on the day.

**KS2 - 5.6 Km**

If you would like to join us, then parent helpers would be greatly appreciated.
