HEAD'S UPDATE

Dear Parents and Carers,

What a fabulous World Book Day we have had! The whole school celebrated the wonderful work of Roald Dahl with a truly amazing array of costumes!

There was much excitement when the adults and children all met on the playground this morning and each class went to great effort to decorate their doors linked to the Roald Dahl book that their class have been reading! The school has been buzzing all day with laughter and enjoyment as children have completed quizzes, book related crafts and treasure hunts! I have loved hearing their excitement outside my window as they looked for each of the clues.

I have said so many times over the last couple of years that Primary School should be full of magic and fun and it certainly was today! Well done to Mrs Cupples for her vision and to all of the staff and children for embracing it so whole heartedly!

The best thing about today was hearing the children talk so enthusiastically about the book that their character was from. To hear them develop a real love of books and reading truly is magical!

STAR LEARNER

At Larkhill Primary School, we know that learning isn't limited to the classroom.

If your child has done something worthy of a Star Learner nomination, please send these to psa@larkhill.wilts.sch.uk and together we can celebrate the amazing learning that goes on outside of school, as well as within.

Major Joseph has been taking his home learning very seriously. Here he is practising his phonics sounds!

Well done Major, keep up the super hard work!

CAUGHT READING

Annabelle Cole made the most of a long car journey by getting stuck into a good book, which she got from The Rocketship Bookshop at Parent's Evening.

Her dog Daphne seemed to enjoy it too!

If you catch your child reading somewhere unusual, or even just enjoying their book in a quiet moment—feel free to take a snap and send it to psa@larkhill.wilt.sch.uk

We love to see children enjoying books!
