Wiltshire Air Ambulance Visit

Dear Parents and Carers,

On Thursday 4th June 2026, Wiltshire & Bath Air Ambulance will be visiting our school to deliver first aid workshops for children in Year 5.

During the session, the children will learn essential life-saving skills, including:

- Making a 999 emergency call
- Placing someone in the recovery position
- CPR
- Using an AED (defibrillator)
- Responding to choking

In addition, the Air Ambulance team will also visit children in Longleat Class to run workshops focused on safety, and to talk about their roles within the Air Ambulance service.

We are extremely fortunate to welcome such specialists into our school, and this opportunity provides invaluable, hands-on learning. The day has been greatly enjoyed by pupils in previous years, and we are confident this will be another memorable experience.

To help cover the cost of this visit, we kindly request a contribution of £2.50 per child. This will be available to pay via ParentPay, and we ask that payments are made by Wednesday 3rd June 2026.

Thank you for your continued support.

Fiona Jenkins
