Invitation to Support Our Year 6 Careers Fair

Dear Parents and Carers,

At Larkhill Primary School, we are always looking for ways to raise aspirations and broaden our children's understanding of the world beyond school.

Next term (Term 6), we are planning to run a flexible Year 6 Careers Fair, designed to give pupils insight into a range of different jobs and career pathways. In previous years, it has been difficult to bring everyone together at one time, so this year we are offering drop-in sessions across the term to make it easier for parents and carers to participate.

We would love to hear from any volunteers who would be willing to support us by sharing information about their career. We are particularly keen to include a range of unique or less familiar roles to help inspire and motivate our pupils.

You could support in one of the following ways:

- Visit the school to speak to a small group of Year 6 pupils for 15–30 minutes, or
- Join us via a Microsoft Teams call if you are unable to come in person

Our aim is to have at least six volunteers take part over the course of the term.

If you are interested in supporting this event, please email the school so that we can arrange a suitable date and time.

Your involvement will make a real difference in helping our children to develop their ambitions and understand the wide range of opportunities available to them.

Thank you very much for your continued support.

Kind regards,

Fiona Jenkins
