

Chair's Report to the Annual General Meeting

Larkhill Primary School PTA

Chair's Annual Report

AGM – 16/09/2026

Good evening everyone and thank you for attending this year's Annual General Meeting.

As Chair of the PTA, I am delighted to present my report on the activities, achievements and successes of our association during the previous school year.

Firstly, I would like to thank all members of the PTA committee, our wonderful volunteers, school staff, parents, carers and the wider school community for their continued support. The success of the PTA depends entirely on the generosity of people giving their time, ideas and energy, and I am incredibly grateful for every contribution made throughout the year.

Last year was another busy and successful one for the PTA. We worked hard to organise a variety of events aimed at bringing our school community together whilst raising valuable funds to support the children's education and wellbeing.

Our events included activities such as school discos, cake sales, community events like the summer fayre and much more. These occasions not only generated income for the school and it's pupils but also provided enjoyable opportunities for families to come together and strengthen relationships within our school community.

Thanks to the fantastic support received, we were able to raise a fantastic £5399 which Kimi, our Treasurer, will be able to tell you a little more about. We've been able to contribute funds towards resources and experiences that enhance the education and enjoyment of all pupils at Larkhill Primary School. Working closely with the Headteacher and school staff, the PTA has aimed to ensure that funds raised are used where they can have the greatest benefit for children across the school.

One of the things I am most proud of this year has been the increased sense of community around our PTA activities. Whether volunteering at an event, donating raffle prizes, baking cakes, helping with set-up and clear-down, or simply attending and supporting events, every contribution has helped make a difference.

Naturally, organising events and fundraising activities comes with challenges. Balancing family life, work commitments and volunteering can be difficult, and like many PTAs we

Larkhill Primary School PTA

continue to seek new volunteers and fresh ideas. I would encourage anyone who can spare even a small amount of time to become involved. Every helping hand is valued and appreciated.

I would like to extend particular thanks to our committee members for their dedication and commitment throughout the year. Their hard work behind the scenes often goes unseen, but it is essential to the successful running of the PTA. I would also like to thank the school leadership team and staff for their ongoing support and collaboration.

As we look ahead to the coming year, we hope to build on last year's achievements, continue supporting the school through fundraising, and create even more opportunities for our families to engage with school life. We welcome new committee members, volunteers and ideas that will help ensure the PTA remains vibrant, inclusive and successful.

Finally, thank you once again to everyone who has supported the PTA over the past year. Together, we have made a positive difference for the children of our school, and I look forward to another successful year ahead, hopefully with a bigger project to spend some of the hard-earned funds!

Kerry Ball

Chair, PTA
