27 February 2026

Dear Parents,

How could your family and your child benefit on your next holiday abroad, if they could speak the local language?

I'm offering your child the chance to join my new French classes at **Larkhill Primary School**. We will be running a new **French after-school club** for **Y1, Y2 and Y3** children after Easter on **Tuesdays from 3.30 to 4.15pm**. You are invited to enrol for the first term of classes, from **14 April until 14 July 2026**.

My classes are fun and interactive following a carefully designed programme, helping children learn quickly through games, songs and rhymes. Young children pick up a new language and make progress quickly; soon they will be coming home and trying to teach you!

Starting language learning early helps children build confidence and fluency naturally, avoiding the barriers adults sometimes face. Early exposure means they're more likely to succeed and develop valuable skills, setting them up for future success. By starting early, your child will enter secondary school feeling confident and ready to continue their language journey with enthusiasm, giving them a real head start at GCSE!

Your teacher: I'm Lisa Calveley, **a local French teacher and fluent French speaker who loves passing on my knowledge and enthusiasm for learning other languages**. I lived for over 20 years in Belgium and France so have a great experience of living abroad in a multilingual environment and using other languages. I also teach French in other venues around Salisbury to different age groups, including nurseries.

I'm not alone in my passion to help children learn and love to become French speakers; I'm teaching the multi-award winning La Jolie Ronde programmes.

La Jolie Ronde have won the "What's-on-4-Awards", as voted for by parents for "**Best National Activity for 5-12 years olds**" **5 years running!**

My classes provide:

- A unique and well-established **structured language course**
- An **authentic accent** for the children to pick up
- **Small classes** with children of similar age
- **Conversation, basic grammar, games, role-plays, rhymes and stories**
- An awareness of the foreign country, its **geography and its culture**
- **Termly reports** on children's progress

If you would like to book your child in for lessons, payment is due in advance for the whole of term 5 and term 6. Note there is an **activity book and music app** to purchase which is a mandatory part of the course. This contains all the lessons and vocabulary in a colourful and easy-to-use format and is used by pupils every lesson and will last for the complete academic year. The children love using and personalising their activity books which give them a sense of progression.

Once enrolled, you will receive your child's **Language Pack**, which includes:

1. School term of weekly 45 minute lessons
2. Pupil Activity Book and Music App Access
3. Access to our Parent Whatsapp Group
4. Parent Guides
5. End of course certificate

Pack total: £122.00

This includes the summer term of 13 weeks lessons and all material listed above.

The activity book and music app are covered under the "joining fee" listed on Club Enrolment and included in the pack total price. The book and music will last for the whole academic year, meaning that any future lessons booked will not include a charge for the book and music.

If you would like to enrol your child for the coming term, please enter your details on our new enrolment system at:
