Music Lessons

Dear Parents and Carers,

Did you know, you can sign your child up for music lessons at any time? Music lessons are available to your child, through music teachers who visit our school each week.

Why?

Learning to play an instrument has been shown to improve focus and concentration, fine motor skills, confidence, co-ordination and aural skills amongst many other things. As such, we are keen to open this opportunity to our pupils.

Goffen Music Schools

Goffen Music Schools offer one to one or small group lessons to teach a child how to play an instrument, as well as the musical theory they need to read music etc.

If you think your child may be interested in starting to learn to play a musical instrument, please contact Sam Goffen by email: info@goffenmusicschools.co.uk. Sam will be able to provide you with more information about prices, resources available to you in addition to lessons and much more.

Rocksteady Music School

Rocksteady Music School teaches children to play an instrument through fun and inclusive weekly rock and pop band lessons with their peers.

If you think your child may be interested in joining Rocksteady and being part of a band, all information about pricing and how to sign up can be found on the 'Rocksteady' website: www.rocksteadymusicschool.com

Kind regards,
