Head Teacher: Mrs. Fiona Jenkins

Tuesday April 14th 2026

Dear Parents and Carers,

I am delighted to inform you that we have partnered with PH ActiveEd so that your children can participate in the Swim:ED programme. This is a fantastic opportunity for your child to start or continue their swimming and water safety journey at Larkhill Primary School.

Swim:ED brings a fresh, innovative approach to primary school swimming with lessons delivered in a pop-up swimming pool on our school grounds. Qualified swimming instructors teach children in a safe environment, and qualified lifeguards are present to supervise lessons. School staff members will support children throughout the programme, too. Swim:ED aligns with National Curriculum outcomes and gives children the skills and knowledge to be confident, competent and safe in the water.

Your child's Swim:ED journey starts on 01/06/2026 and runs until 19/06/2026.

Every KS2 class will have a swimming lesson everyday from the 1st June to the 19th June.

Before the programme starts, we must collect information on your child's swimming ability and experience. This data helps us ensure that all children are grouped accordingly and gives us the best opportunity to ensure all children receive the very best experience.

Please take 30 seconds to complete the questions about your child's swimming ability and experience via [Swim:ED Participant Pre Assessment Form](#)

For further information on the Swim:ED programme, including important information on what your child needs for their lessons, please read the document '**A Parent's Guide to Swim:ED**' which is also attached to this email.

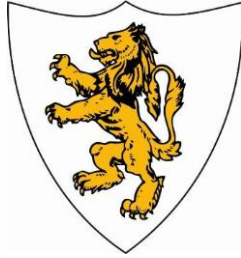

If you would like to learn more about Swim:ED and their services, please visit:
www.phactiveed.co.uk/swimming

Whilst the majority of the cost of this swimming provision will be covered by our school budget, we would appreciate it if parents would be willing to pay a voluntary contribution towards children's swimming lessons.

Head Teacher: Mrs.Fiona Jenkins

We are requesting a minimum contribution of £15 per child, which equates to £1 per lesson. For families who are able and willing to contribute more, the ParentPay item has been set up to allow payments of up to £22.50 (equivalent to £1.50 per lesson). We hope you will agree that this represents excellent value for the opportunities and experiences provided.

Please log in to your ParentPay account and make your contribution in the usual way, using the payment item titled "Swim:ED Lessons 2026."

All contributions must be made no later than Friday 19th June 2026.

What your child will need

Each day that your child has a swimming lesson, they will be required to bring the following to school:

- A towel to dry themselves
- A one-piece swimming costume for girls
- Swimming trunks/shorts above the knee for boys
- Goggles
- A swimming hat
- Long hair must be tied back

We are very excited about what promises to be a period of fun and learning with Swim:ED.

As always, if you have any questions, please do not hesitate to get in touch with the school office.

Kind regards,

Mrs Jenkins
