Year 6 Residential Trip 2027

Dear Parents and Carers,

We are excited to let you know that we are hoping to book our 2027 Year 6 residential trip with Skern Adventure in Devon. This year's trip was a huge success and we look forward to offering this fantastic opportunity to our next cohort of Year 6 pupils.

Skern Adventure are a residential activity centre provider, responsible for delivering safe and rewarding educational programmes for children. Their programmes combine on-site and off-site activities to provide an outstanding outdoor education experience, whilst the instructors not only bring joy and laughter but also inspire self-confidence, personal growth, and a strong sense of self-worth in students. The Skern Adventure Centre is set on a stunning 38-acre site, nestled amidst rolling hills and just a stone's throw from the England's adventure coast. The site boasts exceptional facilities, including a state-of-the-art high ropes course, a serene man-made lake and a spacious dining hall. Students can enjoy a cinema room, and tuck shop, while the comfortable accommodation blocks offer a relaxing retreat after an action-packed day. It's the ideal setting for exploration, learning, and adventure.

Residential courses are, of course, an optional but invaluable part of the National Curriculum. Pupils benefit hugely from the experience, both educationally and socially and I feel certain that the adventure programme which we have chosen this year will prove to be both enjoyable and very worthwhile.

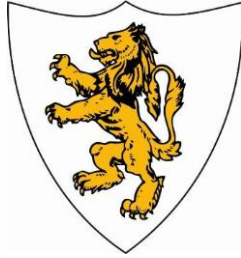

The trip will take place from Sunday May 16th to Wednesday May 19th 2027.

We would like to make the trip as inexpensive as possible, and have managed to negotiate a trip that will cost £299 per child for accommodation, activities and food.

Transport costs will be additional to this, and will be dependent on how many children choose to take part. Transport is likely to cost in the region of £75 per child, bringing the total to approximately £374 per child. This is taking into account a £500 subsidy from Larkhill Primary School PTA. A final transport costs will be confirmed once we have know how many children will be attending.

We wanted to reach out now and make you aware of this, so that you have the option to begin setting money aside throughout the summer if you would like to.

In order to gauge interest, and check whether there are enough pupils who would like to attend to make the trip financially viable for everyone, we are asking you to please register your interest via Parent Pay. If you believe that you would like your child to attend this residential trip in May 2027, please head to your Parent Pay account and register your interest under the item "Y6 Residential 2027 Initial Interest".

The deadline to register your interest is June 30th 2026.

If you have any questions, please contact the school office or speak to Mrs Conner/Mrs Jenkins.

Kind Regards,

Mrs F Jenkins
