

Stonehenge Year 3 Term 1 Newsletter

English

This term we are using the book 'The Iron Man' by Ted Hughes in reading and writing. We will be using expanded noun phrases, prepositions and past tense to write setting descriptions. We will also be writing diary entries.

In reading, we are focusing on fluency, using intonation and expression.

Maths

We will be learning about the place value of numbers up to 3 digits. After that we will use mental methods to add and subtract. This will include using number lines and rounding to estimate.

Times tables will be essential to our learning this year so we will be doing lots of practice- especially x 2, x 5 and x 10.

Science and Topic.

In science we are investigating light, shadow and reflection. We will be using our working scientifically skills to investigate the topic, growing our subject specific vocabulary so we can use the terms confidently.

In history we are using historical sources to learn about the Romans, their invasion of Britain and how their Empire grew. Understanding the time in history this happened, exploring the terms BC and AD. We also have our exciting trip to the Roman baths!

What else are we learning?

DT- We will be making electrical information posters about the Romans!

PSHE- Being Me In My World. The children will be focusing on what it feels like to be valued and part of a group.

PE- We will be developing our football skills alongside team work.

RE- In RE, we will be exploring celebrations and how they contribute towards our sense of belonging.

Computing- We will be looking at the different parts of a network and how they work together.

What do we need to remember?

Children need to read 3 times a week at home to support their reading fluency. For every 75 reads completed at home, children will receive a book from the vending machine.

Our PE sessions are on a Friday and Forest School sessions are on a Wednesday. Please come to school ready for all weathers in correct and named uniform: black trousers, white tops and green hoodies.

For forest school, please bring wellies and waterproofs as will going out no matter what weather.
