Woodhenge Class Newsletter Term 2

English-

In Guided reading, we will be reading 'The Firework Maker's Daughter'. This is also our reading for pleasure text.

In English, we will be using the text 'The Barnabus Project' and developing our skills to help us write a character description, as well as using the short clip 'The Gift' to write a persuasive text.

Maths-

For the first half of this term we will be focusing on using multiplication and division facts for the 6 and 9 times tables.

In the second half of the term we will be focussing on mental addition and subtraction methods.

Topic – In Geography we are looking at Italy – Bellissima – making comparisons with our country, using different ways to explore.

In Science, we will be learning about electricity. As part of our learning, we will be completing a range of investigations into open and closed circuits, conductors and insulators. We will also be learning new vocabulary linked to the topic which will help us when we explain our results and conclusions.

What else are we learning?

ART- We will be exploring the work of Laura McKendry and Edgar Degas while creating our own gestural drawings using charcoal.

PSHE – The focus of these sessions will be celebrating difference. Being respectful and listening to others' ideas and opinions.

PE – We will be keeping active in hockey during the term.

Computing- We will be learning about audio production

RE- We will be learning about the true meaning of Christmas for Christians.

MUSIC – We will be learning how to create and notate.

What do we need to remember?

Please read at least 3 times a week with your child at home. They must get their books out of their bags if they need to change a reading book.

Don't forget you can use Doodle Maths, Tables, English and Spellings at home.

PE is on Monday - please remember appropriate PE wear for the weather. Forest School is on Friday - forest school kit is essential so that children can enjoy the sessions fully.
