

### Pupil Premium EYPP Strategy Statement 2022/2023

What will the money be spent on?	Why have you chosen this?	How much will it cost?	How will it benefit the EYPP children? Which of the EYPP children will it benefit?	How will it benefit the setting?	How will you know it has made a difference?
Developing the outside area	<p>To develop children's fine and gross motor skills</p> <p>To improve co-operative play</p>	£1385	Whilst the EEF evidence on the impact of physical development and learning through play is limited, we believe that this will positively improve the learning environment and the children's desire to play outside in the same way that we have seen within our Forest school area.	All children will have access and opportunity to use the outside area and the equipment within it.	<p>Observations show improvements in motor skills.</p> <p>Children are choosing the outside area</p>
