**1st September**—INSET Day. School will be closed to pupils on this day.

**4th September**—First day of the new school year.

### HEAD'S UPDATE

Dear Parents and Carers,

It really has been a whirlwind first week back! Watching the children happily playing in the sunshine has brought me much joy this week. Obviously as the temperature increases, children are quite-rightly shedding jumpers and cardigans. Please can we remind you to ensure that names are put into jumpers and cardigans and that hats and water bottles are essential in this lovely weather.

I would like to take the opportunity to thank the parents that attended our Online Safety Event this week. Though we were small in number, the parents who came said that the information was really beneficial and that they had learnt something they didn't know before. I myself learnt several things as I was putting the presentation together. Online Safety is an enormous topic and an ever-changing one at that! It's so important to keep up with what is going on as we are living in such a digital time. We will look at providing further information in the future.

From online safety to road safety, please can we remind parents that all children who ride their bikes/scooters to school should be wearing helmets. They should also be dismounting before they come through the school gates and not riding through to the bike racks. The carpark can be particularly busy in the morning and pedestrians/cyclists should not be walking/cycling over the yellow line. It's there for everyone's safety.

Our PTA are busy working on the upcoming Summer Fete on the 15th July. We would be so delighted if anyone would be able to lend a helping hand on the day. If you are able to spare a few hours, please let the office know ASAP.

We are so thrilled with how our brand new library is looking after the arrival of some gorgeous books this week. We really can't wait to welcome you on the 21st June at 3.15pm to show you around!

Charlotte Harmer  
Head Teacher

### WEEKLY ATTENDANCE

**Longleat - 99.63%**

**Archer - 97.74%**

**Salisbury - 97.41%**

**Stonehenge - 95.86%**

**Woodhenge - 98.39%**

**Silbury - 96.45%**

**Wessex - 98.67%**

The Department for Education stipulates school attendance should be no lower than 96%.

This week, our school attendance was

**97.72%**

Congratulations to this week's class attendance winners!

**LONGLEAT CLASS**

**Well done!**

### Longleat Class

Longleat Class have shown the most amazing cooperation by working together to put on their own play. From 1 big piece of cardboard, they worked together to make a back drop, tickets and popcorn. They then gathered different costumes and props and put on a show for the teachers!

Our Value of the Month of May was

# COOPERATION

Here are some examples of how we have shown Cooperation.

*“At Larkhill Primary School , we will ensure that everyone feels included and has the opportunity to work together as a team. We will all know our skills and strengths and what we can offer. We will all be accountable for our actions and contributions ”*

### Woodhenge Class

Woodhenge Class have demonstrated amazing cooperation in class and outside. They have worked together as a team to support each other when developing our talk partner speaking and through team and individual skipping.

### Salisbury Class

We had a very busy May with our Special Agent Training in Year 2. We had to show cooperation by listening carefully, responding to adults and helping our friends concentrate by working quietly as well as waiting for others to complete their tasks if we finished first. We managed to get many pompoms in our jar this month!

### Stonehenge Class

Stonehenge class has demonstrated cooperation by following our class rules and keeping their pen pots tidy. They have also shown cooperation by listening to instructions very carefully. Mrs Gallagher is very proud of you all.

### Silbury Class

Silbury class have shown cooperation during our science lesson on the heart, in which the children replicated blood travelling through the body.

### Wessex Class

Year 6 showed amazing cooperation when we were away on our residential to the Isle of Wight. They really supported and encouraged each other the whole time we were away. Cooperation was also demonstrated during our bike ability sessions where they had to work in pairs to keep each other safe.

### Archer Class

Archer class have worked very hard to show cooperation over the last few weeks, both in class and at playtime. They have really impressed me by working together in group activities and supporting each other, particularly in maths.

## NEW LIBRARY OPENING

Wednesday 21st June 2023

3:15pm

We are very excited to be able to launch our new Library! With huge thanks to the Armed Forces Covenant Fund which made this renovation possible.

On the day, we will be joined by 2 wonderful authors, Maudie Smith and Fleur Hitchcock, who will be working with pupils throughout the day.

Parents are welcome to come and see the library and meet our visiting authors from 3:15pm.

You will also have the opportunity to pre-purchase books by Maudie Smith and Fleur Hitchcock, which you can then have signed at the end of the school day!

Books are available to pre-order via Parent Pay until **June 9th**. Please see overleaf for prices.

## LARKHILL PRIMARY SCHOOL

PRESENTS

YEAR 6

in

# PORRIDGE

PERFORMANCES ON:
