HEAD'S UPDATE

Dear Parents and Carers,

Well here we are at the end of week 3 and we have had a super Solstice week here at Larkhill! The highlight of the week by far was the visit from Fleur Hitchcock and Maudie Smith. The children loved hearing how they create their stories and I am confident that the experience has inspired many of our children to take their own writing to the next level. Both Fleur and Maudie commented on how interested and interesting our children were! Their confidence and resilience really stood out and to hear the children talk so confidently about the different schools they had been to and how proud they were of Larkhill Primary School was a real joy. Our children really are a special bunch!

We have also been busy practicing for Sports Day ahead of next week and the children have thoroughly enjoyed developing their skills ready to share with you on Thursday. We are hoping that the lovely weather remains and are looking forward to what promises to be a great day including a family picnic on the field. Events such as this which bring the whole community together are so important. We have really enjoyed welcoming so many of you into school this year and to see the school hall packed each time we have hosted an event has been brilliant!

Our PTA are also in the process of planning our exciting Summer Fete and Car Boot Sale. This promises to be a super event that will raise funds to help us further enrich your child's time at school. We are so grateful to the newly formed PTA for their help so far this year and are already looking forward to what else they have up their sleeves for the coming year!
