HEAD'S UPDATE

Dear Parents and Carers,

I need to start this week by thanking you all for attending Sports Day yesterday. It was a really wonderful day and I am sure you will agree the behaviour and sportsmanship shown by our children was excellent. The school values were demonstrated by all pupils; from our very youngest pupils, some of whom are only just five, to the children who only have a few weeks left with us. To see our Year 6 helpers cheering on the younger pupils and supporting them so well filled our hearts with such pride!

I feel like I have talked about the library an awful lot this year but I can't let this week's newsletter go by without mentioning the joy it has brought all of us this week to see how excited the children are to choose a book to take home! Children have been reading in the corridors, at playtime, even in the lunch hall! Some pupils have read several books from cover to cover already and we are only at the end of week one! If you have not signed our library agreement, please ask the office for another copy so that your child can bring home a library book.

We have really enjoyed receiving your 'Star Reader' nominations over the course of this year. We want you to keep these coming but we would also like to add another dimension. If you catch your child reading their school library book for pleasure at home or sharing it with an adult or sibling, please take a photo and send it to the office for a new 'Caught Reading' section.

We can't wait to see what everyone is reading!
