## VIKING GIRLS

You will need a long underdress and calf-length pinafore dress.

Your **TORTOISE BROOCHES** are attached to the front of the pinafore dress.

Wear beads between your tortoise brooches. Your **Viking comb** and **girdle hangers** can be worn hanging from your brooches on long lengths of cord. Don't forget to put your Viking name on the comb. Viking women always wore headscarves. They would wear a cloak if it was very cold

The photograph opposite is the actual size of these brooches. Make your **TORTOISE BROOCHES** from oval pieces cardboard.

Decorate with pasta and paint gold or silver.

Stick a safety pin on the back, so you can pin your brooches to your pinafore.

These are girdle hangers, nobody knows whether they were just for decoration or had some practical use.

## VIKING WARRIORS

Dressing as Viking warriors is easy! Use a brightly coloured adult "T" Shirt as an over-shirt and a normal size T shirt underneath for an undershirt. Your trousers can be baggy or straight-legged. Wear a cloak and a furry hat if you want.

Leg bindings are optional. These are very long lengths of material that are bound around your legs from your ankles to your knees. If you do wear leg bindings, make sure they are secure.

To make realistic chain mail, use old onion bags. Spray them silver. It looks good and weighs much less than the real thing. You can get old onion bags from supermarkets and greengrocers shops. Wear a belt around your waist over the top of your chain mail or over your shirt.

Don't forget to wear your **THOR'S HAMMER** with your Viking name.
