

Year 3 Term 6 Newsletter

English -

This term we will be reading Charlie and the Chocolate Factory. Over the term we will be working on our prediction and inference skills.

In our writing sessions, we will be using The Egyptian Cinderella to inform our writing. Specific skills we are looking at include using paragraphs to group ideas, beginning, middle and end. In addition, we will be punctuating speech using inverted commas.

Maths -

Our topics in Maths this term are measures (length, mass and capacity), geometry (properties of shape, angles) and statistics (interpreting data). As well as learning these topics in our main lessons, we will be continuing to practise elements of our past learning. We will continue to do the times tables booklets daily looking at multiplication and division facts.

Science – States of Matter

This term we will continue looking at different materials. We have started this unit and have looked at the properties of solids, liquids and gases and now we will be completing more investigations to develop our scientific skills as well as using scientific language.

What else are we learning?

ART/ DT- We will be creating our own structures and making volcanoes linking to our geography topic

PSHE- This term's topic is 'Changing me'. We will be learning about changes that happen socially, physically and emotionally as we grow.

PE- We will be developing our skills in Athletics.

RE- We will be learning to understand the significance of the River Ganges both for the Hindu and Non-Hindu.

Music- We will be exploring beats within music and thinking about how our bodies respond the beat.

Computing- We will continue to learn about keeping ourselves safe when on line as well as considering our online identities and ownership of what is shared online. We will also be

Topic –

In Geography this term we will be completing a unit of work called Extreme Earth where we will be learning about Volcanoes. In this unit we will be looking at mountains around the UK and then outside of the UK and comparing the sizes. We will then look at different volcanoes, earthquakes and tsunamis.

What do we need to remember?

Read 3 times a week; please remember to bring in your reading book and reading record every day.

Outdoor learning and PE will be on Thursday; please ensure your child has the correct uniform for the day.

Clothing appropriate for the weather rain coats, sun hats.

Please make sure that your child has a water bottle.

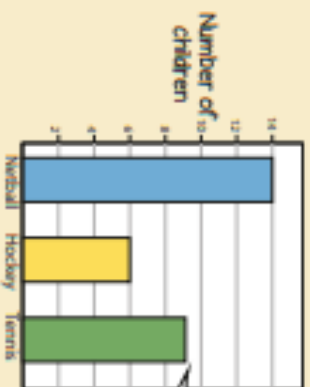

dogs			
cats			
mice			
rabbits			

$4 + 4 + 4 = 12$ people own dogs
 $4 + 4 + 2 = 10$ people own cats

 = 4 people

32 people were asked in total

9 children play tennis

65 children play piano

Year 3 Term 6

A 45mm
 B 90mm
 C 135mm

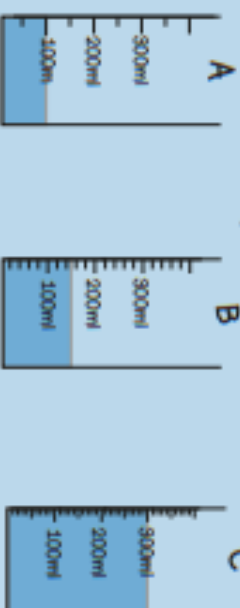

C is three times as long as A
 A is half as long as B

Perimeter = $4 + 5 + 3$
 = 12cm

Perimeter = $38 + 24 + 38 + 24$
 = 124mm

C weighs 4 times as much as A
 A weighs half as much as B

C has three times as much as A
 B has half as much as C

The angle is the amount of turn

The angle is more than a right angle

The angle is less than a right angle

This shape has 2 right angles

This shape has 4 angles

3 right angles make three quarters of a turn

2 right angles make one half turn

One right angle makes one quarter turn
