

Communication Flowchart

Recommended Procedure for Parents

Working in partnership, together, is vital for our community and pupils to thrive.

We know that when parents have a concern that relates to their child at school, whether it is pastoral, learning or staffing in nature, that they often feel the best way forward is to ask to see the Headteacher.

In our experience, many of these can often be most quickly resolved by talking first to the class teacher as they know your children best.

There are a range of different professionals at the schools that you may need to contact.

On the next page is a guide to how you can access the best possible service at Latton Green Primary Academy.
