

CURRICULUM NEWSLETTER

EYFS : Autumn

Welcome to all our new families that are joining us in Reception this year. Also a huge welcome back to our existing families. We are all excited to be working with you and making this year as fun and as successful as possible. We have a fun packed year planned with great topics, lots of creative ideas, and engaging experiences!

We look forward to working alongside you and your child every day and making many memories together!

Mrs Genders

The School Day and Uniform

In Reception, school starts at 8.40am and finishes at 3.30pm. Please make sure all your child's uniform has their name on it. PE will be on a Friday, and your child will come to school wearing their PE kit. Please remember to remove earrings on this day.

Wellington Boots and Spare Clothes

We have a mud kitchen, water tray, sand tray and unpredictable English weather- it will get messy! Please send in spare clothes and a pair of welly boots for your child to wear. We love to take our learning outside onto our playing fields and for health and safety reasons they will need to wear their boots, especially in the next few months.

Proud Clouds

We are very proud of the hard work and achievements your children make at school but we also would love to know what they do when they are with you. We will be sending some proud clouds home with your child, so you can share what they have done that you are proud of. It may be learning to ride their bike, staying in bed all night, eating a new food, learning something new... ANYTHING! Write it down and send it into school with your child, we will celebrate their achievement together.

Mystery Reader

In Reception, we love reading stories and we are looking forward to inviting you in to be our mystery reader very soon! Our mystery reader can be mum, dad, a grandparent, aunt or uncle! This will take place on a Friday before the end of the school day at 3.15pm. Stay tuned for more information soon!

Hank and Henry

Hank and Henry are our class teddy bears. They are always looking out for good behaviour and kind friends. If they see anyone displaying these behaviours in class, then they will enjoy sitting or playing with that child! Henry is very lucky as he will be able to have weekend sleepovers with the 'Star of the Week'.

Tapestry

Every Tuesday, we invite the children to share with the class their home observations on Tapestry. It may be having fun at the weekends, visiting family or friends, going away or completing activities. Please share any exciting things you do at home with us on Tapestry. If you have any issues with your account, please let me know.
