Dear Parents and Carers,

As you will recall, we conducted a survey of parents/carers in the summer term as we wanted to hear your views about a range of important matters at Latton Green Primary Academy. It was a very valuable exercise – we really do want to know what you think about life at the school so that we can consider making changes if needed. Thank you to all those who did respond.

The results were very positive overall and I have provided them below, with our proposed response to particular statements that require the school to take actions. Some totals do not add up to 100% because of rounding up or down. The results are based on 62 responses and each response represents 1.6%

Bullying is dealt with quickly and effectively.	27%	69%	3%	It would seem that the large majority of you don't know if bullying is dealt with effectively. This must be largely because your child has not experienced it. Bullying incidents at school are very low. When this does occur, we record each incident and follow our Behaviour and Relationships policy. The school has recently been awarded for excellence in challenging bullying through their work with Kidscape. We will be providing more information about this in our Sway newsletter this week.

I would recommend the school to another parent.	95% (Yes)		5% (No)	We are pleased that the majority of parents/carers would recommend Latton Green to another parent. We are happy to discuss any concerns that parents/carers may have that have led to the 5% of 'no' responses to this question.

When it came to special educational needs and disabilities (SEND), 13% (8 out of 62 responses) of parents/carers who completed the survey said their child had SEND. We are delighted that 100% of these parents/carers who answered this question responded 'Yes' to the question 'My child has SEND and the school gives them the support they need to succeed.'

I would be more than happy to discuss any of the findings and how we are acting on them, so please let me know if this would be helpful.

Yours sincerely
