1. Making an Application

The local authority has an established process the process of admissions for all their schools. During the normal admissions round, the local authority operates the co-ordinated admissions scheme which includes each school. Parents/carers wishing to apply for a place should put the school down as a preference on the common application form.

Details can be found [here](#)

1.2 Outside of the normal admission round, each school manages in-year admissions directly. Further details on how to apply can be found on each school's website.

1.3 Any child or young person who has an EHCP that name the school will be provided with a place.

2. Published Admissions Number (PAN)

2.1 Each school has a PAN for entry into the school. If the number of applications exceeds the PAN then the oversubscription criteria will be used to determine which applicants will be provided with a place. Details can be found on each school's website as well as the respective local authority's.

2.2 The local authority publish their admission arrangements on their website. This allows for full consultation to take place with parents, other schools, religious authorities and the local community.

[Details can be found here.](#)

2.4 The Learning for Life Trust Schools, as their own admission authorities, must consult when admission arrangements are changed (e.g. change of PAN) or if they have not been consulted within the last 7 years. Consultation must last for a minimum period of six weeks and must take place between 1 October and 31 January in the determination year.

3. Oversubscription Criteria

3.1 Where more applications are received than the number of places, then the school will rank applications in accordance with the following oversubscription criteria, in order: (1) Children in care or who are previously care- experienced (2) Children or young people who have a sibling who attends the school at the date of admission (3) Children or young people who live nearest to the school

3.2 Any additional oversubscription criteria specific to the school and/or local authority will be identified on the school's individual website.

4. Definitions

4.1 A 'child in care', also referred to as a 'looked after child' is a child or young person is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

4.2 A 'previously care experienced', also referred to as a 'previously looked after child' is a child or young person that ceased to be looked after because they were adopted, became subject to child arrangements order or special guardianship order. This includes children or young people who appear to the Trust to have been in state care outside of England but ceased to be so because they were adopted.

4.3 'Sibling' means a brother or sister, half brother or sister or legally adopted child or young person being regarded as a brother or sister.

4.4 The 'home address' is the address at which the child or young person spends most of their week during term time. If arrangements are such that a child or young person resides at two addresses for equal amounts of time, then parents must decide which address to use for admissions purposes. Failure to agree on the address to use on the child or young person's application for a school by the national closing date where multiple applications are made will result in a random number generator to determine which application to process.

4.5 'Distance' means the distance drawn in a straight line between the centre point of the home address to the centre point of the school.

4.6 'Admission authority' means the Trust. Where the authority is required to make determinations on individual applications, the Trust Board will be required to ratify the proposal of the Executive Leadership Team.

5. Tie breaker

5.1 Where there are two or more applicants in a criterion who have equal priority for admission and there are insufficient places available, random allocation will be used to determine which child, or young person shall be given a place. The use of random allocation will be supervised by someone independent of the Trust.

6. Applying for a year group outside of chronological age group

6.1 Where parents want their child or young person to be educated outside of their chronological age group, an application should be made in writing to the school's headteacher at the same time as the application for a place. This should explain why the parents wish for their child or young person to be educated outside of their chronological age group and enclosing any evidence that supports this application. The views of the headteacher will also be considered. Parents will be notified of the decision on the application, which will be based on the circumstances of the case and what is in the

best interests of the child or young person, in writing once it has been made. This decision is separate from the decision on whether a place is granted.

7. Appeals

7.1 When a child or young person is not offered a place, parents/carers entitled to an appeal against the decision to refuse admission. The letter of refusal will contain details of how to go

about appealing the decision, including the deadline for lodging the appeal and who to contact. Parents must set out their grounds for appeal as part of their application. When an appeal is successful, the school must admit the child or young person.

7.2 Schools are required to publish their appeal arrangements on their websites, including appeal timelines.

7.3 The Learning for Life Trust does not manage in-house appeals arrangements. Schools will each subscribe to their local authorities, or an alternative external appeal service as identified on their websites.

7.4 Appeals regarding admissions must be raised in accordance with the appeals scheme that the school is subscribed to. Complaints regarding admissions are not in scope of the school Complaints Procedure.

8. Waiting List

8.1 Each school will maintain a waiting list in the academic year of admission. Every time a child or young person is added to the list, it will be re-ranked in accordance with the oversubscription criteria with no priority given to the date of the application.

9. In-year Applications

9.1 Details on how to apply for place outside of the normal admissions round can be found on each school's website. Where multiple applications are received and the school does not have sufficient places for every child or young person that has applied for one, places will be allocated on the basis of the oversubscription criteria.

10. Withdrawing Places

10.1 In certain circumstances the Trust may decide to withdraw a place offered if one of the following circumstances occurs:

- When a parent has not responded to the offer of a place, even after reminding
- When fraudulent or intentionally misleading information is used as part of the application; or
- When the offer has been made in error.

11. Sixth-Form Admissions

11.1 For all sixth form admissions please see the respective school's website for the admission arrangements which will include:

- Courses available (although courses that are available and are delivered may change year on year)
- Details of how to apply
- Minimum entry requirements over-subscription information on how places are allocated
