SLUSH IMPORTANT INFO

Please note due to recent news articles raising concerns about glycerol which is used in sugar free slush syrup we have changed to glycerol-free slush.

This means that our slushes are no longer sugar free and we want to ensure families know so they are aware of this if buying slush as a treat at the fair/our events.

This decision was made along with the school leadership team.

Sports' Days 2025

Just a reminder that our Sports' Days are arranged for this year on the following dates:
