

Science Curriculum Overview

Science	Unit 1	Unit 2	Unit 3	Unit 4	Unit 5	Unit 6
EYFS	Food and Drink – senses Autumn – Season work Hibernation Space Food tasting and recycling		Winter – season work Habitats British Science Week – What is a scientist? Be a scientist Lifecycles – chicks and Easter		Life Cycles Exploring the environment Plants Mini-beasts	
Year 1	Animals, including humans		Everyday Materials Full Investigation		Plants Full Investigation	
	Seasonal Changes					
Year 2	Animals, including humans	Everyday Materials Full Investigation	Living things and their habitats		Plants Full Investigation	
Year 3	Animals, including humans	Rocks and Soils		Forces and Magnets Full Investigation	Light Full Investigation	Plants Full Investigation
Year 4	Living things and their habitats	Animals, including humans	Sound Full Investigation	Electricity Full Investigation	States of matter Full Investigation	

Science Curriculum Overview

Year 5	Living things and their environment	Properties and changes of materials Full Investigation		Forces Full Investigation	Earth and Space Full Investigation	Animals including humans
Year 6	Living things and their habitats	Electricity Full Investigation	Evolution and Inheritance Full Investigation	Light Full Investigation		Animals, including humans
