## Reception - History/Understanding the world

It is very hot in Kenya, but they also have very heavy rain. Therefore, their houses need to be waterproof. The Maasai cover their roofs with cow dung and are called Inkajjik.

The rest of the house is built with twigs, mud, and leaves. The whole family live in one room together.

## Year 1 - History

Nelson Mandela was born in South Africa in 1918.

Until 1992, the government in South Africa ran an **apartheid**. An **apartheid** is when black people have to live apart from white people.

Most black people had no jobs, were very poor and could not vote because of this.

Nelson grew up in a village and went away to study law when he was a young man. He wanted to help free black people from **apartheid**.

In **1963** Nelson was sent to **prison** for taking part in protests about the apartheid.

This is Robben Island where Nelson Mandela was kept in prison.

This is the cell where Nelson Mandela spent **27 years** in prison.

He was released in **1990** after the laws were changed.

He won the 1993 **Nobel Peace Prize** for ending the Apartheid then became president of South Africa in 1994 - and black people were **allowed** to vote for the first time.

He worked to bring **peace** to the country and to help black people.

He retired in 1999 and spent his time travelling the world helping other countries solve their problems.

### Rest In Peace...

In 2013 Nelson Mandela died at the age of 95.

Year 1 - RE

Peter came to Jesus and asked,

“If my friend keeps hurting me, how many times do I have to forgive him? Seven times?”

“No, not seven times,” answered Jesus, “but seventy times seven.”

Based on Matthew 18: 21-22  
God's Story 2

God, Our Father,  
thank you for loving me.  
I am sorry for the times I have  
not shown love to others.  
Help me always to live like Jesus.  
Amen
