Together, come up with 5 rules that will help keep you all safe online. Then write them down or if possible, type them on your laptop/computer/iPad.</p>

Phonics: You can access phonicsplay.co.uk for free. Choose the phase 5 down the left-hand side, choose a game (your child will be familiar with these) and then choose today's sound to practise. There is a tablet friendly version of the site.

Maths: You do not need to log-in to access White Rose Maths. This is the scheme we use in school; therefore, the children are familiar with the programme. They have set a PowerPoint and worksheet for each day. You do not need to print the sheet; you can take ideas from in and just use blank paper/resources around the house. <https://whiterosemaths.com/homelearning/>

PE: Try to do one form of PE each day, even if it just 10 minutes! This could be Joe Wicks PE every morning, yoga, dance, a walk etc. Examples could be:

- Going for a walk
- The Body Coach YouTube channel [here](#).
- Cosmic Kids Yoga <https://www.cosmickids.com>
- Make an obstacle course in your garden

Plant growth sequencing

Fill the plant pot with soil.

Plant the seeds into the soil.

The seeds begin to sprout and grow.

The plant grows and begins to flower.

Using a watering can, water the seeds.
