

HOME LEARNING ACTIVITY GRID - Week 2 (Beginning: 30.03.20)

Dear Parents and children, we have updated our home learning activity grid with new ideas and activities for the children to complete. In addition to this grid, please try to read with your child daily. The following symbol indicates how many points each activity is worth. I will be keeping touch via dojo to keep track of points. Stay safe, God bless. Thank you, Key Stage 1 team.

<p>RE / Catholic Values</p>	<p>If possible, use books or the internet to research how Easter is celebrated around the world.</p> <p>Write, draw and stick what you find out.</p> 	<p>Draw, paint or make a model of the Easter cross using everyday materials.</p> 	<p>Over the week keep a Kindness Diary. Each day write down times you were kind to others and times when others were kind to you.</p> 	<p>Make an Easter card for somebody you love. Ideas -</p>  
<p>Literacy</p>	<p>Try to read every day. Write a summary of what happened in one of the books you have read.</p> 	<p>Find any object in the house or garden. Use adjectives to describe the object.</p> <p>For example - <i>The couch is soft and orange.</i></p> 	<p>Design your own superhero. Give them a name, a costume and write what their special super powers are.</p> 	<p>Write down five questions you would like to ask your teacher.</p> <p>Don't forget - capital letters, question marks and finger spaces.</p> 
<p>Maths</p>	<p>Find 5 different objects in your house.</p> <p>Can you place them in order from smallest to largest?</p> <p>Can you place them in order from largest to smallest?</p> 	<p>Make number cards 1-50 (Year 2: 1-100) out of paper. Choose a number. What is one more/one less than this number?</p> 	<p>If possible, go onto 'Numbots' and log in using your username and password (TTRS log-in details). Begin to work your way through the levels.</p> <p><i>Search for -St Mary's RC Primary School Leyland</i></p> 	<p>Make a set of 12 number cards showing the numbers 0 to 10, but with two 5s. Shuffle the cards. Match two cards together to make 10. Time how long it takes to find all the pairs to 10. Repeat later in the week. Can you beat your time?</p> 
<p>Science</p>	<p>Design a new home for the Three Little Pigs. Make sure it's wolf proof.</p> 	<p>If possible go on a walk with a grown up. Look out for any signs of spring. Take/draw pictures. Write about how the seasons are different.</p> 	<p>Astronauts that visit the moon need to keep fit. Can you make up some exercises for them?</p> 	<p>What is the best way to stop ice cubes (or an ice lolly) from melting? Suggest three different things. Write them down. If possible, investigate. Test which ice cube lasts longest. Examples - <i>Change where they put</i></p> 

				<i>the ice cubes or wrap the ice cube in different materials.</i>
Phonics	<p>Make up your own nonsense name for these aliens. That means it does not need to be a real name or make any sense at all. Sound out and write their names.</p> 	<p>If possible, go on www.phonicsplay.com .</p> <p>Use the games to practise the sounds we have been learning in class.</p> 	<p>Read the words below.</p> <p>don't made old</p> <p>Now write sentences using these words.</p> 	<p>wh or w</p> <p>Sound out and write the words below. Sort them into either wh or w column.</p> 

Here is a list of helpful websites:

<https://www.phonicsplay.co.uk/>

(Some resources on here are usually at a fee, but they are offering free access to all in the event of school closures)

<https://www.purplemash.com/login/>

(Look out for tasks we might set you 'to do' on there)

<https://trockstars.com/>

<https://play.numbots.com/?#/account/school-login/8479>

<https://www.topmarks.co.uk/mathsgames/5-7-years>

<https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

<https://www.oxfordowl.co.uk/>

<https://www.twinkl.co.uk/> (This is more for printouts, and usually at a fee, but they are offering a month of free access to parents in the event of school closures)
