### Nursery Admissions

We welcome children to attend our Nursery from the term following their third birthday.

Every parent with children aged 3 & 4 years old is eligible for the basic free childcare entitlement. This is called the Universal Free Entitlement and gives 15 hours nursery education per week.

Children of working parents may also be eligible for 30 hours free provision.

#### **3 & 4-year-olds free entitlement – 15 hours (Term time only- 38 weeks a year)**

All children are eligible for 15 hours per week free entitlement from the term after their third birthday.

#### **3 & 4-year-olds – 30 free hours (Term time only - 38 weeks a year)**

30 free hours will be available to families where both parents are working (or the sole parent is working in a lone parent family), and each parent earns, on average, a weekly minimum equivalent to 16 hours at national minimum wage (NMW) or national living wage (NLW), and less than £100,000 per year. Working will include employed and self-employed and self-employed persons. Parents do not necessarily need to actually work 16 hour a week, but rather their earnings must reflect at least 16 hours of work at NMW or NLW. This includes those parents on zero contract hours who meet the criteria.
