

Headteacher: Mr Cunniffe

Dear Parents and Carers,

As part of our ongoing commitment to supporting every child at Linaker Primary School, we would like to let you know that your child has been added to our Special Educational Needs and Disabilities (SEND) register for this academic year.

For some of you, this may already be familiar news. For others, this may be the first time you have received this information. Over the past year, we have been working hard to strengthen our SEND identification processes. Where we have noticed that a child is not making the progress we would expect in areas such as reading, maths, or communication. We want to ensure your child receives the right support to help them move forward.

Being placed on the SEND register is not a permanent decision. Instead, it allows us to keep a closer eye on your child's progress and make sure the right support is in place. Children may move on and off the register as their needs change. We review the register every year.

The Sefton SEND Team will be hosting a fantastic coffee morning at Our Lady of Lourdes Catholic Primary School, Birkdale, from 9:15am to 11:15am. This will be a relaxed and informative event where they will talk through understanding the Graduated Approach to SEND. It's a great opportunity to speak directly with professionals, ask questions, and gain helpful insights and advice.

In addition, I will be holding a drop-in session on Monday 10th November from 9:15am to 10:15am at Linaker Primary School to answer any questions and provide further support. Thank you, as always, for your support and partnership in helping every child at Linaker reach their full potential.

Warm regards,

Mrs Hannah Parr
